ADVERTISEMENT FOR BIDS

The Board of Education of Farmington Public School District, Farmington, Michigan, will receive sealed bids for the construction and completion of the Farmington Junior High School, Farmington, Michigan, until 8:00 p.m., E.S.T., Tuesday, October 3, 1956 at the office of the Board of Education, 3300 Thomas Farmington, Michigan, at which time and place all bids will be publicly opened and read aloud.

Separate proposals will be received as follows:

Base Bid A — General Construction
 Base Bid B — Mechanical Work
 Base Bid C — Electrical Work
 Base Bid D — Kitchen Equipment

Proposals must be on forms furnished by the Architect and be accompanied by a bid bond or certified check in the amount of 5% of the Proposal submitted.

Plans and Specifications may be obtained on and after Tuesday, September 18, 1956, at the office of the Architect, Smith, Tarapata, MacMahon, Inc., 894 Adams Road, Birmingham, Michigan.

A check in the sum of \$35.00 must be submitted as a deposit for each set of plans and specifications, same to be refunded on return of plans and specifications in good condition within ten (10) days of the opening of bids.

Accepted bidder will be required to furnish satisfactory Performance Bond and Labor and Material Bond, each in the amount of 100% of the contract, the total cost of which shall be paid by the accepted bidder.

All Proposals submitted shall remain firm for a period of thirty (30) days after official opening of bids.

The Board of Education reserves the right to reject any or all bids in whole or in part, and to waive any informalities therein.

Along The Creek In Woodcreek
ELEANOR M. PREUSS MA. 6-6361

Lloyd and Peg Nelson of Millbrook arrived home September 17 after spending three weeks with daughter, Elaine and husband, Parvin Right of Modesto, California, and new grandson Parvin Charles Right III, born August 25. Peg left via plane August 27 and arrived in California the next day just in time to bring Elaine and her baby home from the hospital. The trip from Chicago only took six hours.

Lloyd and daughter Ginny followed in their car. Ginny flew home September 9 to resume her school. Cousin, the Laverne Smiths, who both teach, proved excellent companions for Ginny while waiting for mom and dad.

We intended interviewing Marilyn Nelson regarding her trip to Europe, having found a position as tutor to the Price twins from New York who are at present residing in Cannes. Future plans include more travel, with March her probable "coming home" date.

Marilyn's summer literary ramble as planned. She was especially enamored of Rome, with its opera, friendly, happy and courteous people, and plentiful bargains and Amsterdam, which has all been rebuilt since the war.

Tommy Tyghem, youngest son of the Maurice Tyghems on Millbrook, has spent about two weeks in Children's Hospital for observation. Woodcreek joins in hoping his sick days are over for good.

An SOS — White material for cancer pads is needed very badly by our Woman's Red Cross group. Material will be received by Mrs. Robert Swift, MA. 6-6738, Mrs. Roy Nelson, MA. 6-6229, or Mrs. Robert Bleker, MA. 6-2278.

Edythe Kennedy gave Doty Spillman a jar of that delicious near marmalade she is becoming famous for. But after all ladies present at the cancer pad planning meeting held at Ginny Swift's home on Westbrook September 18 had finished sampling it, there

ture made it a real "fun" afternoon.

Jack Swift and Mary Jane O'Donnell, Roger Martin and Mary Lane and Bill and Bob Bleker and their dates from Farmington were some of the younger set attending the Farmington High dance "Autumn Leaves," last Friday evening.

Cub Scouts Danny McCarthy, Ricky Fellrath, Zicky Reader, Charley Dynda and Roy Steyskal of Den 9 held their first meeting at the home of Ruth McCarthy on Wellington last Saturday. Leader of the group this year is Sylvia Steyskal from Franklin.

BAKED APPLES

Wash, core and pare upper half of large, firm apples. Place pared half down in baking pan.

Prepare syrup by cooking the parings in equal parts of sugar and water until well cooked and colored. Pour syrup over fruit and bake until nearly done. Remove from pan, reverse position, bringing pared half up. Place under broiler and cook until suitably browned.

CHICKENS

When choosing chickens, the best assurance of quality and wholesomeness is the Government label that says "U. S. Department of Agriculture Inspected, Grade A." Grade B poultry is just as wholesome, but not so plump and thickly fleshed. Variations in price of chickens in the market is often due to difference in grade, says Mrs. Josephine Lawler, Consumer Marketing Information Agent.

"MAGNIFICENT PROMISES ARE ALWAYS TO BE SUSPECTED"

— (Author's Name Below) —

There appears to be a growing tendency toward advertising seemingly low bargain prices by certain radio, television, and door-to-door salesmen. The products they sell are usually made by a manufacturer unknown to you, or newcomers to drug manufacturing.

Before buying such medicines, or vitamins, make certain these magnificent promises are true. Only a pharmacy is licensed, and regularly state inspected, to protect you. Usually the prices we charge for comparable quality are less.

The latest thing in continuous coal mining machinery weighs nearly 40 tons, is 27 feet long, and produces eight tons of coal a minute. That's 3,840 tons every eight-hour working day.

See anything unusual here?

(1) Dad's fallen asleep "watching television." (2) There's the baby over by the window... watching the snow. Shouldn't Mom (3) make them get off the floor on such a cold day? No indeed! The secret of this carefree family is their new Coleman Blend-Air heating system. (4) Here's one of five exclusive Coleman blenders that circulate warmth a new way — proved the best system ever developed for keeping floors and window walls warm! With NO draft! That's why ONLY Coleman offers a \$1000 Bond to guarantee comfort!

Bob and June Bleker of Eastbrook entertained five couples, business associates of Bob's from the National Bank, with a steak and corn roast dinner, topped with strawberry shortcake, Sunday, September 15. Charlie Chestnut, vice-president of the bank, could not believe his eyes when he saw wild mallards alight on the Bleker pond at sunset.

Allice Billiu, new vice-president of the Farmington Junior High P.T.A., is enthusiastic about results of the first meeting, held September 18. One hundred and twenty members signed up, and 50 or more faculty members were present, she reported. Mrs. Turman, new president, reported receiving several calls from women wishing to volunteer their services for the Sister Kenny Palsy Center in Farmington after seeing the film depicting the various therapies employed in changing helpless children into comprehending, confident ones. The film was shown by Mr. Koschial, a teacher at the Center.

Mrs. Clayton Sadler, past president of the Royal Oak Council, gave a brief speech on why she thought we should have our own Farmington Township P.T.A. Council, and committee chairmen paraded with posters representing their committees which they made during this summer under the supervision of Ellen Bartfield. These posters will be used in various publicity campaigns during the Fall.

Those good looking blondes you saw opening the lemonade stand at the "Day in the Country" program September 15, were Angie Seay and daughter, Denise. Other faces we recognized doing their good deed for the day were Boy Scouts Dick Lam, Dale Freuss, Marvin Tyghem and Carter Billiu.

Mike King's new and supposedly unknown roommate at Michigan State University this fall turned out to be John Baxter, a lad who was Mike's neighbor and constant companion since he was born, previous to moving to Woodcreek.

Angie Seay and co-leader Mrs. Richman from Franklin Schools took Girl Scout Troop 777 for a hike from Eagle School to the Franklin Cider Mill and back for their first meeting last Thursday. Refreshments consisting of hot donuts and cool cider were served. Many side trips exploring wonders of na-
