World Affairs Lectures Slated

Rev. Wesley Edwards

"All the world is keeping a close watch on the great game of chess now being played on the world stage of action with Russia and our own nation being the chief opponents."

This statement was made by the Reverend Wesley E. Edwards of Pasadena, California, who will begin an interesting series of lectures on October 10 at the Farmington Community Church, 2122 Indian, four blocks east of Inster and north of Eight Mile, has resumed their weekly activities under the direction of H. P. Ward, Minister of Youth and Music, church officials disclosed. Each of these groups represents one of the departments of the Sunday School and is organized as a choir. Although rehearsing separately, they sing together on Sunday morning at the 11:15 a. m. worship service as a massed youth choir. Some of the 80 to 100 young people are present each Sunday morning, it was indicated.

In connection with the rehearsal there is also a devotional meeting emphasizing Bible study and a recreational time with group games and table games such as ping pong, shuffleboard and bowling. There is also a monthly outing or party planned for each group.

The Joy Club, made up of first, second and third graders from the primary department, is now meeting again each Saturday morning at 10:00 with Mrs. William Moss, Mrs. Ronald Berner and Miss Elaine Wright as leaders.

The Pioneers for junior boys and girls in the fourth, fifth and sixth grades is also meeting again on Friday evenings. Mrs. Raymond Byrne, Mrs. William Hutchinson, Mr. Robert Girdley, Mr. and Mrs. Glenn Evans, Mrs. Rex Agar and Mrs. Lydia Lambert are leaders.

The Crusaders for the intermediate department of the seventh and eighth graders also meets on Friday night with Mr. James Sager, Mr. Henry Sherrill, Don Douglas and Miss Gwen Nichols. The Ambassadors for the high school group meet on Thursday evening with Mr. Orland Thompson.

Mr. Redman directs all of the choirs. The children who attend church and rehearsal each week attend Sunday School and sing in the church choir receive a citation each three months. Three such citations mean five free days of camp at Michawana in the summer.

Wednesday night, October 10, at 7:30 o'clock Reverend Edwards will put Bible verses on the screen that tell what to look for as a sign of the approach of the war no one wants and yet all are sure to come. Actual photographs of those signs described will be shown.

Meetings will continue nightly until October 21.

Open House Held Sunday At Universalist Manse

Following church last Sunday the Universalist church entertained friends and members of the Farmington Universalist Church at their newly decorated home.

During the past year and since the arrival of the Kellisons, extensive remodeling and repair work has been done to make the house more comfortable.

Reverend and Mrs. Kellison with their son, Evans, and daughter, Kathy, report that they are very much at home in Farmington.

Toll rates on the Suez Canal are slightly higher than those on the Panama Canal. A 6,500-ton tanker is charged \$6,200 to be taken through the Suez, and about \$5,650 to be taken through the Panama.

Biblical scholars believe that the famous Dead Sea scrolls were written between 200 B. C. and 70 A. D. by Jewish ascetic monks of the Essene tribe.

It isn't the cool, crisp fall air that's so invigorating—it's just that you're getting rested up from your vacation.
