Plan Homecoming Queen Election

Members of the Student Council at Clarenceville High School held a meeting October 4 to discuss plans for Homecoming. This was the first Student Council meeting headed by the new President, Don Meiton. Don was chosen by popular vote of the student body to head the Council in an election on Friday, September 28.

During the meeting, arrangements were made for the election of the Homecoming Queen. On Monday, October 8, students will cast their votes for the girl of their choice. This girl will reign over all the Homecoming festivities. She will be a member of the Senior class and will be attended by a court consisting of one girl from each of the other grades. Students will be called from study hall to vote for the Homecoming Queen.

A general committee was chosen to handle the plans for the Homecoming festivities.

Besides the Student Council, various other organizations are making preparations for Homecoming. The Varsity Club will decorate the field and the stands for the Homecoming Game against Clarkston and furnish decorations throughout the school. The cheerleaders are to sell pom-poms at the game, and the journalism class is planning a program for the game.

Varsity Club Discusses Homecoming

Members of the Clarenceville High School Varsity Club met Thursday, October 4, with plans for homecoming constituting the major portion of the discussion that evening.

It was decided that the Varsity Club would be responsible for the decorations for the Homecoming Game and also for posters and signs to encourage school spirit within the student body.

The goal posts at the football field will be decorated with the Clarenceville High colors and the bleachers will also don the red and gray of the school. A line of thirteen tee shirts will be hung in the gymnasium with the saying "BEAT CLARKSTON" lettered on them. All members who drive cars are encouraged to put masking tape on the cars spelling out the words "BEAT CLARKSTON." The freshmen will also be required to wear signs bearing the same inscription.

Plans for initiation will be officially arranged at a future date. At the present time the initiation date has been set for November 21. All members who have earned their letters will participate in the initiation ceremony. Immediately following the initiation, Varsity Club members will be served refreshments at the home of President Dave Hamford.

In the near future the Varsity Club members will offer address books to the student body at a moderate price. These books will be printed in the school colors and have the Clarenceville basketball schedule engraved on them.

New Speech Club Organized Oct. 1

For the first time this year, a meeting was held for students interested in becoming members of the Speech Club. The meeting was held October 1. At the initial meeting students attending were acquainted with the purpose of the organization and its activities for the school year.

Election of officers was discussed and it was decided to select temporary officers until the club becomes better organized. Ray Mann was selected for the office of temporary president and Betty Edwards will serve in the capacity of temporary secretary.

The regular election of officers has been scheduled for Monday, October 16.

Meeting dates for the Clarenceville High School Speech Club were set for the first and third meeting of every month. Richard Hixon and Miss Marilyn Anderson are the Speech Club advisors.

Junior Class Members Make Ring Selection

Students from the Junior class made their choice of class rings in a popular election last week.

Three rings were exhibited and from these the students made their selection. The three rings on exhibition were chosen by a ring committee composed of Cynthia Boerhohn, Gail Andrews, Francis Clement, Eugene Winters, Richard Soop, and Fred Schultz.

A plain gold ring was selected with initials on one side and the year of graduation on the other. The school crest will be on the top of the ring.
