MRS. R. L. COGSWILL

Last week was "family week" at the Jack McPhersons on Argonne Road. Mrs. McPherson's brother and his wife, Mr. and Mrs. George Chronis, of Chicago, Illinois, spent a few days with them.

Over the weekend her sister and husband, Mr. and Mrs. D. M. Mumery of Flint, were guests and all four saw the Lions-Los Angeles Rams football game on Sunday. Monday, another sister, Mrs. C. Chapman, along with her daughters, Carol Ann and Sherry, also of Flint, drove down to help Mrs. McPherson celebrate her birthday.

Last weekend Mr. and Mrs. Morley Foster of Argonne Road entertained at a dinner party. The guests included the Bob Davis family, also of Argonne Road, and Mr. and Mrs. Bill Simmons and their three daughters.

Both the Simmons and the Davises are building new homes in "Old Homestead" and the affair was in the form of a "get-acquainted" dinner.

On a recent weekend the Robert J. Clark family of Brittany Drive enjoyed a trip to Ohio. Their two sons stayed with an aunt in Columbus, Ohio, while Mr. and Mrs. Clark went on to Cincinnati to visit with friends there.

Mr. and Mrs. Walter DeGree moved to South Bend recently to attend the Notre-Dame-Purdue football game. On the way they spent Friday night in Hillsdale at the home of Mr. and Mrs. Ray Jabbert, former residents in Normandy Hills.

Mrs. Ruby Cogswill of Farmington Road entertained the Jane Moll Club of Detroit at a luncheon last Thursday. Ten were in attendance.

The Elliott Rogers of Brittany Drive entertained Mr. and Mrs. Milton Rideout, their son John and his fiancée, Miss Cynthia Menlor, of Toledo, Ohio, over the weekend. Mrs. Rideout is Mrs. Rogers's sister.

Mrs. Ruth Hilton, Mrs. Roger's aunt, who has been visiting here for the past two weeks, returned to Toledo with the Rideouts.

Last Friday evening Mrs. Robert Davis of Argonne Road gave a

With the plus provided by lower taxes, labor's average take-home pay, adjusted for cost of living changes, was up 13 per cent in 1955 over 1952, for the single worker, up 10 per cent for the average family man with a wife and two children.

"LO AND BEHOLD"

party with 18 guests attending. The demonstration was put on by Mrs. Dorothy Hopp and Mrs. Emily Stanek of Livonia. Prizes were won by Mrs. Mattie Strasser and Mrs. Dorothy Nyland. Dessert and coffee were served.

Last Saturday, June Habicht and Elaine Hanson traveled to Alma College, Alma, Michigan, with the Youth Fellowship group of the First Presbyterian Church of Farmington.

Michigan Mirror

November 16-22.

Coordinated by Kiwanis International, more than 400 groups representing business, agriculture and service organizations are lending support to the program.

Local observers will be in order throughout Michigan. Kiwanis groups will spearhead the drive with joint meetings of farm and city people for exchange of information, tours of farms by businessmen, demonstrations of farm techniques, school assemblies and other meetings all designed to show people that there is a mutual dependence between the farmer and his city cousin.

"Grass-roots" action, nationally inspired, is the key to success, says mid-west chairman John Daneke, Detroit executive with General Motors.

"GM sells 20 per cent of its cars and 60 per cent of its trucks to farmers," Daneke asserts. "We consider rural America a substantial share of our market. At the same time industry provides many of the customers for farm products. We have a common goal in our constant search for progress."

The goals and ideals of Farm City Week were recently crystallized in a State of the Union message delivered by President Eisenhower. He told the nation: "The well-being of our 180 million people demands a stable and prosperous agriculture. Conversely, every farmer knows that he cannot prosper unless all America prospers."

YWCA Square Dance Classes Open To Public

Farmington area residents have been invited to the second square dance class sponsored by the Northwest Branch YWCA, to be held Thursday, October 16, at St. Christine's Hall, 23750 Fenkel, at 8 p.m.

The class is geared for beginners, with instruction being given by Mildred Brennan, YMCA officials said. Newcomers are welcome. Other square dance classes will be held the first and third Thursday of each month.

Tuesday evening round dances are proving popular and are held at the same hall the first and third Tuesday evenings at 8 p.m. For further information call the Northwest YWCA at KE 3-6010.

A couples' dancing club, called the "Friday Nighters," will start Friday, November 2, officials indicated. Several forms of dancing, round, square and social, will be featured.

The Adult Activities Committee chaired by Mrs. David Everhart, is planning to make this a social evening. All young couples living in the area are invited.

Quarter Million Paychecks!

Besides performing its basic job of serving the transportation needs of Michigan's farmers, industrialists, businessmen and general consumers, our Motor Transport Industry plays a most important part in providing employment for a major percentage of Michigan's breadwinners — a quarter of a million, as a matter of fact.

Yes, Michigan's trucks are responsible for one out of every ten Wolverine paychecks — and the total of all these paychecks amounts to well over one billion dollars annually!

That's a lot of money — and it provides those on trucking's payroll with an enormous purchasing power that benefits every phase of Michigan's economy.

Motor transport's paychecks are substantial and they buy lots of food, clothing, appliances, cars and other products whose sales mean paychecks for others.

So, you see . . . Michigan's motor transport industry not only serves all other business activities — it is one of the most important customers for the products of all these other businesses.

Area Residents Invited To Roller Skating Party

Farmington area teenagers and adults alike have been invited to a roller skating party sponsored by the "Herald" press club, to be held Friday, November 2, at the Dearborn Roller-drome on Warren and Outer Drive.

Skating will be from 8 to 11 p.m., it was indicated, and will cost one dollar.

Tickets may be purchased at the Roller-drome box office, club officials said. Proceeds from the skating party will be in defraying the expenses of publishing the "Herald," student college publication.

Mary Jane Swieczicki, sophomore and member of the editorial staff, is chairman of the affair.

Named Project Head Of House At U. Of M.

Bonnie L. Sovereign, Farmington, has been appointed special projects chairman in Angell House, Alice Lloyd Hall, at the University of Michigan, where she is living, it was disclosed by college officials last week.

Miss Sovereign is a sophomore student at the University.

Seven Area Students Attending Hillsdale

Hillsdale College disclosed this week the names of seven students from the Farmington area enrolled at the college for the fall semester.

Attending Hillsdale are: Robert Neft of 22398 Ruth Street, senior; Richard Alexander of 32043 Shawassee; Richard Matthias of 22,038 Floral; Dennis Cambert of 32,680 Eleven Mile, Philip Warriner of 32800 Eleven Mile, juniors;

and Jay Mason of 29050 Haggerty and Richard Smith of 30234 Twelve Mile Road, sophomores.

The Massachusetts Institute of Technology has demonstrated an atomic clock which will not vary more than five seconds in 300 years, and which may ultimately keep time accurately within one second in 30,000 years.

Now you can have

SOFT WATER

Automatically with the

REYNOLDS Automatic WATER SOFTENER

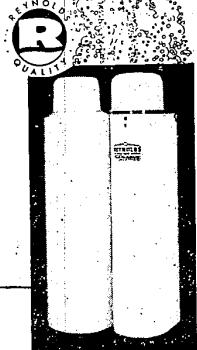

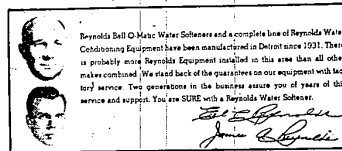

The greatest water softener ever built!

1. Adjustable to almost any type of problem water. Does a better job on all hard waters. Will do things you never dreamed could be done with any water softener.
2. Will soften water containing up to 100 grains of hardness per gallon (5 times as hard as the average).
3. Will remove up to 10 parts per million of iron.
4. Contains 1 1/2 cu. ft. of Dowex assuring high capacity and adequate flow rate of zero-salt, salt-free water at all fixtures at the same time.
5. Brine under pressure in closed tank instead of in ugly open type brine tank. No more leaky float valves and bad appearance. More dependable regeneration.
6. Automatic bypass permits use of water during regeneration.
7. No troublesome tap screen to clean.
8. Operates on any home water pressure, high or low.
9. Fibre glass insulation prevents sweating.
10. Time clock or switch operation.
11. Made in Detroit—factory service.

There is no other water softener like it, or that even compares with it. It is fully guaranteed and covered by patent.

At only \$399.00, it is the greatest value in the water conditioning industry. Larger sizes also available.

"YOU CAN'T BEAT THE BEST"

An allowance will be made on standard make softeners in good condition.

See your nearest dealer, or call collect, WEBSTER 3-3800, for free water analysis and full information. We have a popular rental plan. Ask about it.
