New Twists For Serving
Doughnuts Suggested

A new twist for doughnuts are cinnamon toasties, suggested by Mary A. Nixon, Oakland county home demonstration agent.

Slice the doughnuts in half, crosswise, and spread each half generously with butter. Sprinkle with cinnamon-sugar mixture (two tablespoons sugar and one-half teaspoon cinnamon) and heat in a shallow pan in a hot oven (400° F.) for five minutes. Serve warm. You might also try cheese toasted doughnuts, she stated. They are made by sprinkling grated sharp cheese over each half and toasting in the oven. For a rich treat, make butter pecan doughnuts. Again, spread the halves with butter and sprinkle with one-half teaspoon brown sugar and one-half teaspoon chopped pecans.

The high cost of living is being discussed again in the land of opportunity and it will be talked about for some time.
