Mexican Exchange Student Adapting To Ways Of U.S. Teens

Ernesto Hernandez Hemken, or Tony, as he is known at school here, lives in Mexico City, Mexico. Tony is an exchange student.

Tony is staying with the family of Mr. and Mrs. James Pepper. Fred Pepper is Tony's American brother and exchange, for Fred spent seven weeks with Tony last summer.

Tony is trying hard to be an average American teenager. U.S. slang, although sometimes quite mixed up, is noticeable in his broken English. He frequents the Farmington Dairy with the rest of the kids and his order is the favorite F.H.S. student order—a plate of fries and a coke. Although he has only been here two weeks he has already made several American "buddies."

Tony arrived the day before Thanksgiving, just in time for a part in the traditional holiday feast and for the beginning of an American Christmas season. Tony looks forward to Christmas and likes the snow.

Though they have TV in Mexico, American TV somewhat fascinates him. He especially enjoys the western programs which involve Mexicans.

Tony had several opinions about the U.S. which have been changed in the short while he has been here. Some pro, some con.

He does not care too much for American schools. He states that the teachers here are too lax. "They are all the time laughing and kidding with the students," was one of Tony's comments.

Tony is to be in Farmington for about six or seven more weeks. In this time he hopes to become well acquainted with the American people and the ways of the U.S. teenager.

Intramural Cage Season To Open

Plans for the '56-'57 intramural basketball season are being made by Douglas Race, Farmington High English teacher.

Race stated that this year's program would feature four leagues, one from each class. The leagues will compete within themselves for 11 weeks and at the end of this time playoffs will be held between the leagues.

The games will be held weekly between 6:30 and 9:30 p.m. in the Farmington High gym. Day of week is not known at the moment.

Race stated that he hopes more boys will sign up.

Begin Planning Annual J-Hop At F.H.S. In Jan.

Chairmen for the tickets and clean-up committee have not been chosen.

Driver Education Class Sees Slides

Slides showing the parts of a car, the right and wrong places to pass, and the importance of fully stopping at lights, signs and for school buses were shown at an assembly conducted by Corporal Potter of the Michigan State Police for the benefit of the driver education students at F.H.S. last week.

Corporal Potter explained the slides as they were shown on the screen. He also told students how to care for the parts of a car properly and the importance of keeping their cars in good running order.

A brief question and answer period followed the program.

Mr. Graham and Mr. Broderick arranged the assembly.

Keeping up with the Joneses isn't nearly as dangerous as trying to pass them on a hill.
