Many Remain Unprotected Against Polio

Latest reports from the Michigan Department of Health indicate that the Salk vaccine program has reached 1,500,000 persons in the state with two shots. These shots have been given to those in the age group from 1 to 14 years and pregnant women. The cost of the vaccine was set at \$1,890,000.

Based on an approximate figure of 7,500,000 population in the state, this means that only 20 per cent have the protection of the vaccine to date. Included in the group of 80 per cent still not protected are teenagers in the 15 through 19 bracket, very highly susceptible to polio. Approximately 200,000 babies are added to the state census annually, which also adds to those unprotected in the highly susceptible group.

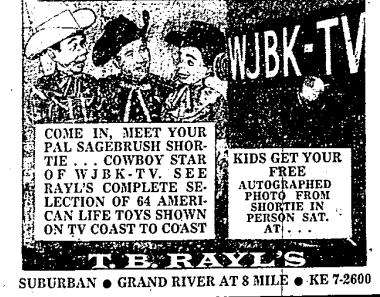

Since only \$10,000,000 had been appropriated nationally annually to pay for vaccine for families unable to buy their own, it is little help.

While there is presently 300,000 doses of the vaccine available commercially in Michigan, or enough to give 150,000 people two shots, it is a small amount considering that in excess of 3,000,000 teenagers and adults between 15 and 35 are still unprotected.

If you're under poor white going it's a sign you're probably pretty healthy.

THE LIONS CLUB of Farmington is sponsoring a Christmas party for children of the Farmington area. Contributions made to Lions Club members will be used to help make the holiday season a little brighter for less fortunate children of the community in the form of a party. As in past years, toys will be distributed to all boys and girls and a variety of "goodies" to eat served. Lions Club member Jack Harrison is shown above accepting another small contribution from an area resident, unidentified, to make this party a reality.

Clarenceville School News

League Council Meets At C.H.S.

The Wayne Oakland County Student Council met at Clarenceville High School December 6 for its monthly meeting. The meeting was the second of the year.

Don Melton, Clarenceville Student Council president, was acting chairman of the League meeting. By secret ballot, Jerry Ulrich from Clarkson High School was elected to the office of President. He then presided over the remainder of the meeting.

Nominations for the other officers were received and votes cast. Bill Staffer of Bloomfield Hills was elected vice-president, Janis Haverth, Northville, secretary, and Margaret Rice, Milford, treasurer.

Following the election of officers, a discussion was held. Representatives from Brighton asked for suggestions on the operation of a youth center. Students from Clarkson then opened the discussion on the problems of keeping junior high school students from attending the after-games dances.

Members of the Council were served milk and doughnuts in the high school cafeteria following the evening meeting.

GAA Play Day Held At C.H.S.

Representatives from Milford, Clarkson, Northville, Brighton, Bloomfield Hills, West Bloomfield and Holly attended a G.A.A. volleyball play day at Clarenceville High School Wednesday, December 5. Nine girls plus one official from each school attended.

Serving as official hostess was Mary Snell. She was assisted by Pat Nelson, Betty Wiley, Lorraine Reaume, Sharon Butler, Sharlene Apple, Nancy Burd and Sara McWhorter. Score keeper was Joyce Forrester.

A social hour was held from 3:35 to 4:30 in the High School cafeteria. Cookies and milk were served.

Plan Christmas Concert Dec. 17

The combined band and chorus of Clarenceville High School will present their annual Christmas concert Monday, December 17, at 8 p.m. at the Clarenceville High gymnasium.

Among the selections played by the band will be "Sleigh Ride" by Leroy Anderson and "Meditation" by Jules Massenet. The band and chorus will combine to present "Christmas Festival" by Leroy Anderson.

An invitation is extended to everyone to attend the annual concert at the Clarenceville auditorium.

GAA Volleyball Play Continues

Girls' volleyball is gaining importance at Clarenceville High. Regularly scheduled games are drawing a large number of girls. Tournament play started Tuesday, December 4. Four teams consisting of 18 members have been selected to participate in the winter schedule of games.

The teams are captained by Betty Edwards, seniors; Pat Nelson, juniors; Lorraine Reaume, sophomores, and Sandy Gowsley, freshmen.

Games are played in the high school gymnasium on Tuesdays after school.

Springbrook Civic News

Mrs. V. Kirchner, GR. 4-1929

Mr. and Mrs. Bruce Treweek and their daughter, Sheryl, flew in from San Francisco last Sunday. They will be here until the end of January visiting at the homes of their parents, Mr. and Mrs. Gilbert Treweek of Westmoreland Drive and Mr. and Mrs. Bryant of Haggerty Road. At the end of January, Bruce will return to Fort Winfield Scott to await his discharge from the Army, which is due in February.

It was an exciting day for Mrs. Frank Freeman of Crystal Court when five of her friends from Detroit surprised her on her birthday last Friday. They presented her with a bouquet which she has taken with her to the hospital. Mrs. Freeman will be spending nine weeks at Metropolitan Hospital, 1800 Tuxedo, in the M. S. Clinic. She will be home for Christmas and some week-ends, and will welcome cards and visits from neighbors.

Mrs. Kenneth MacKay of Marysville has been the houseguest this week of her daughter, Mrs. Vincent Kirchner.

Another birthday surprise was provided for Beverly Lord when 12 of her school friends visited her on the morning of her ninth birthday. The played games and had lunch. All boarded the school bus together.

Mrs. Fayma Ponnell of Plymouth, Indiana, has been the houseguest for the past week of her brother, Joe Mogle, of Springbrook Drive.

Mr. and Mrs. Ed Smith recently joined with Mr. and Mrs. Ed Ulrich of Westmoreland Drive at the dinner dance at Botsford Inn sponsored by the Ubers Club of Our Lady of Sorrows Church.

Both Friday and Saturday nights of this week saw the drive way at Orr's on Springbrook full of cars. They had the occasion to entertain both their bridge groups. The first Friday and second Saturday coming together made a busy week-end for Mrs. and Mr. Smith as they put their supper bridge group met on Friday and their local Saturday group the following night.

Mr. and Mrs. Victor Hanna and children of Westmoreland have returned from a month spent in Florida. They drove down and stopped in Tennessee and Georgia. They made their headquarters on Siesta Key, which is about a three-quarter hour drive from Sarasota. They felt this spot was exceptionally wonderful swimming for the children because of the white sand and they could play in shallow water for a half mile without running into trouble with tide. They had the ocean on one side of them and the gulf on the other.

While there, they visited the Water Ski show at Sunshine Springs and of course the Ringling Brothers Circus with winter headquarters there. They also visited the formal gardens and the reptile farm of Texas Jim. The children enjoyed the animals at the farm and it was from this farm that many of the animals were supplied for Dave Garraway's "Wild World" show which was televised the first Sunday the Hannas were there. Victor also

Altar Society Holds Party, Elects Officers

The ladies of the Altar Society of Our Lady of Sorrows Church held their annual Christmas party and regular meeting in the parish hall December 6.

An exchange of Christmas gifts was held and a luncheon served by the officers for the year at a table bright with Christmas decoration.

Father Thomas Beahan spoke and thanked the officers for their work done during the past year. Other members were thanked also for their cooperation.

Officers re-elected for the year 1957 were Mrs. Margaret Koehler, president; Mrs. Catherine Byrne, vice president; Mrs. Mary Jo Brown, secretary; and Mrs. Marion Walker, treasurer. Newly elected to office were Mrs. Noreen Keenan, financial secretary and Mrs. Irene MacKinnon, scribe.

The moment that the new viewing telephone gets into use, some Joker is going to put on a mask and chortle, "Guess who this is."

"Love's like a radiator—it keeps you warm, even when you know it's only hot air," Jerry Warren.

Predict Sharp Enrollment Rises In U.S. Schools

Enrollment in private and public elementary and secondary schools in the U. S. is expected to increase by 11 million in less than 10 years, the Tax Foundation noted recently.

Projections by government departments (Commerce, and Health, Education, and Welfare) presented in the Foundation's new, ninth edition of "Trends and Figures: Government Finance, 1956-57," fact book on government spending, taxation and debt, anticipate a rise from the 1956 school year's end estimate of 37 million to \$473 million by 1965.

The enrollment table, one of several appearing for the first time in this 289-page volume, breaks the enrollment into "actual" and "projected" categories. In the last "actual" school year figure (1954), enrollment is fixed at about 33 million—28 compared with 28 million enrolled back in 1940.

The projections anticipate that growth will be greater over the period 1955-1956 kindergarten through eighth grade, increasing from the 29 million estimated to be enrolled at the end of 1955's school year to about 36 million by 1965. In the last "actual" enrollment year, 1954, 26 million were enrolled in these grades. In 1940, the figure was 21 million.

In grades nine to twelve, and "post graduate," projected enrollment will go from about eight million estimated at the end of 1955's school year, to just over 9 million by 1965. The projections also show that enrollment in public and private institutions of higher education, may go from the 3 million estimated at the end of 1955's school year, to just over 5 million by the end of 1965's year. In 1940, "actual" figures put the enrollment in these institutions at 11 million.

In February, 1956, at the University of Michigan enrollment of students from other countries topped the 1,000-mark for the first time. Enrollment of foreign students is controlled by the University in order that the number not be larger than can be absorbed in the regular student body. Most foreign students are in the graduate and professional schools.

In And Around Springland
MRS. RALPH EVERT

The welcome mat is out for new residents in Springland subdivision. Mr. and Mrs. Richard Poole and family have recently moved into their new ranch home on Rutemeyer Drive.

Last Wednesday, in spite of the inclement weather, 11 members of the Springland Friendship Club and a host of friends participated in the Chuck Bergerson's "Ladies Day" television program. Mrs. Richard Carpenter, Mrs. Thomas Mangel and Mrs. Lawrence Evans were chosen to appear on the program. They were interviewed by Mr. Bergerson. When asked if they liked to live in the suburbs, the answer was "Yes, we certainly do enjoy living in the suburbs of Farmington."

Mrs. Evans won an automatic toaster as a prize for one of the stunts of the day. Mrs. Raymond Mallon also won a prize on the quiz question portion of the program.

Those attending were Mrs. Josephine Simon, president of the Springland Friendship Club; Mrs. Jacob Waatt; Mrs. Reuben Siekas; Mrs. Harold Boucher; Mrs. Ralph Martin; Mrs. Richard Carpenter; Mrs. Lawrence Evans; Mrs. Raymond Mallon; Mrs. Ralph Evert; Mrs. Devey Garrison; Mrs. Robert Rader; Mrs. Thomas Mangel; Mrs. Edward Archambault; Mrs. Hugo Sandula; Mrs. Edward Wypysynski; Mrs. F. J. Richman and Mrs. Roy Harmon.

HELP YOUNGSTERS LEARN

Whether your young child is exceptionally bright or not, here are some ways to help him learn: Let him talk as much as he likes. And listen. Speak correctly to him. Answer his questions patiently—even when they get on your nerves.

Read to him. When he grows restless, though, let him go. Stick to good books.

Encourage him to reason, to plan ahead, to follow instructions. But don't press him to learn. And don't teach him to read—that's a specialist's job.

Have faith in him. If he's like other kids, time. If he's different, that's fine, too. Let him know that he's yours and he's okay.

You can go a long way in the world if you make it your business to mind your own business.

DOLLAR'S VALUE

People have more money today than they did before World War II. But there are some sobering comparisons: A worker who earned \$3,000 in 1939 needs \$6,127 today to be as well off. The family with a \$5,000 income in 1939 has to have \$10,583 now. And 1939's \$25,000-a-year man was doing just as well as today's executive who brings in around \$68,000 a year. Taxes and inflation make the difference. No denying it, the dollar has really shrunk.
