Community House, Minstrel Show
Officials Named **Tickets On Sale**

At the annual meeting of the Farmington Area Community House Association four members of the board of directors were replaced by vote of the assembly. The terms of President Don DeGabel, Secretary Emily Brown, members John Spicer and Marian Lam expired. The nominating committee's slate including O. E. Dinkel, Mrs. Elise Avery, Mrs. Wilbur Brotherton and Don Benner was accepted unanimously.

At a special meeting of the new board which consists of fifteen members, Joseph McHugh, who was formerly the chairman of the ways and means committee, was unanimously elected to head the group for the coming year. Other officers chosen were: 1st Vice President, Mrs. Harry Farmer; 2nd Vice President, Mrs. Margaret Ward. Bob Potter was returned to the office of Treasurer. Mrs. Al Benson will be the new recording secretary and Mrs. Wilbur Brotherton will be the corresponding secretary.

Committee chairmen are being chosen by Mr. McHugh and will be announced at a later date as will some exciting plans now in the works. Chuck Bridges, ticket chairman, announced that tickets may now be obtained for either performance from any Jaycee member or from the Bel-Air Drug Store, Davis & Lent Store, Phil Thomas Jewelry, Hatton's Hardware, Loomis Insurance, Farmington Realty or Conroy's Market. Jaycees and their wives are now meeting every Sunday along with other local talent for rehearsals of various acts which will be presented in the minstrel show. FORD IS AMERICA'S
WINNINGEST CAR!

For 1957, Ford's off to a flying start on the NASCAR Short Track, Convertible and Grand National Race Circuit—with more points than all other cars combined!

And now—just in from Daytona—seven more Ford firsts!

- A 300-hp 1957 Ford V-8 out-accelerated all other low-priced cars in the standing mile competition.
- A 1957 Ford Sunliner outclassed all other low-priced cars in the 160-mile National Convertible Championship Race.
- A modified Ford Thunderbird, running in the Experimental Class, out-accelerated every other car in NASCAR history.
- A modified Thunderbird topped every American Sports Car, finished first in its class and placed second to Europe's fastest sports car at the National Amateur Sports Car Race.
- A standard production Thunderbird took first place in the flying mile—outperforming all sports cars made in America.
- A modified Thunderbird won the flying mile in the fastest time made by any car at Daytona this year.
- And a Ford Thunderbird topped the field in acceleration from a standing start in Modified Sports Car Class B.

It was Ford Thunderbird power that set a new stock car record at Indianapolis, too . . . and powered the '57 Ford to 458 world endurance records at Bonneville, Utah.

"PROGRESS IS THE ACTIVITY OF TODAY AND THE ASSURANCE OF TOMORROW"

(Author's Name Below)
The practice of pharmacy is progressing rapidly each year. Most of the medicines now in your prescriptions were never even heard of less than five years ago.

Because physicians have better techniques of diagnosis, they now can prescribe the one specific drug that will help you most.

We do less mixing of ingredients, but have to exercise even greater caution than in the past, because modern drugs are more potent.

YOUR PHYSICIAN CAN PHONE GR. 4-2011 WHEN YOU NEED A MEDICINE

Pick up your prescription if shopping near us. A great many people entrust us with the responsibility of filling their prescriptions. May we compound yours?
