\$339.95

150-watt Stereo FM-AM-Phono System

All of the power, style, features and performance you've been looking for in a complete component system. Realistic STA 120B receiver has sliding volume controls, center channel and signal strength tuning meters, tape monitor with volume control, 18 front and rear panel controls for complete flexibility. Brushed aluminum trim, walnut wood case. The stereo changer is our popular LAB 12A featuring magnetic cartridge, anti-skate control and cueing/pause lever. The matched MC-1000 speakers are two-way acoustic suspension systems with 8" woofers and 3" wide dispersion tweeters. There's years of enjoyment in this "years-ahead" system now at a "year-ago" price!
