HEARING BY

audivox

The visits of friends will once more become a pleasure with "Bi-Focal" hearing. The mere flip of a tiny switch allows you to concentrate your hearing upon the person in front of you. That's why this new and truly revolutionary hearing aid is called the AUDI-VOX "BI-FOCAL." If your hearing loss is mild to moderate... if you have trouble understanding in difficult situations call or write; you've got nothing to lose but your isolation.
