A brush fire which swept over lots three and four on Farmington road was brought under control by the Township fire department last Sunday. The flames endangered several homes on Farmington road, and several utility poles and trees were singed.

Area residents are again warned to use extreme caution in burning all waste material.

The Tidwell family recently returned from a three-week Florida trip. They drove down the west coast, visited Key West and motored to Miami. Finding the city jammed with tourists, they stayed at nearby Hollywood beach. Their round trip covered 3240 miles.

He received his basic training at Fort Belvoir, Virginia, to complete his three years of service.

Frank Nelson Himmeler, son of Mr. and Mrs. Frank Himmeler of Dohany Drive has returned to his studies at University of Michigan. Frank had been in University Hospital for a week for observation.

Mr. and Mrs. L. W. Beals of Broadview, are rightly proud of their son Barry, who was one of 17 seniors from Farmington High elected March 13 to the National Honor Society.

Power Road, are the young parents of two little redheads, Darlene, 5, and Donna, 3. Both were born and lived in Farmington, Michigan. Bill is an architect with Swanson Associates, Inc. in Bloomfield Township. He specializes in hospital architecture and has worked on the plan of several of the new units at University Hospital in Ann Arbor. During the Second World War he served in the Army Air Force as an armor gunner in Bomber Group 449, with 50 missions to his credit. Shortly before Bill was discharged from the service in 1945, he came back to Farmington to marry his high school sweetheart, Doris, and together they started making plans for their future home in Farmington Hills.

At the time, Doris was employed as a secretary at General Motors. Being "do it yourself" artists, they built their lovely home here in the "Hills" in 1949, moving in in February of 1950. "Spike" their Great Dane, is loved by the neighborhood children, but his size also gives fear warning to strangers that he is guard of the premises.

Are You a UNIVERSALIST Without Knowing It?

Do you feel religion should free each man to think through his beliefs for himself?

Do you believe man's understanding of truth is continually expanded through reason as experience accumulates?

Do you believe men are capable of ethical judgment without the stimulus of eternal judgment?

Do you believe in the practical application of brotherhood in all social relations?

If so, then you are **professing UNIVERSALIST Beliefs**

Farmington Hills families attending the Girl Scout Holy Hour at the University of Detroit Memorial Building Sunday were Mr. and Mrs. Anthony Hoeft and three daughters. Pamela Hoeft carried the flag in the flag ceremony for Troop 332. Other members of the Troop were laid for the purpose of the troop leader, Mrs. James Duffy, together with daughters, Shirley and Lillian, and Mrs. Donald Bloom in daughter, Maureen.

Mrs. Joseph Gregory, Dohany Drive, was hostess Thursday, March 14, to eight Den Mothers. Plans for the Quince District Scout Arama, to be held April 27 at the Walled Lake High School Gym.

Residents in the Clarenceville School District or persons living in the surrounding area interested in having a foreign exchange student reside with them while attending Clarenceville High for a short period of time are requested to contact Mrs. Pierce VanCamp at GR. 4-832.

A sponsoring family is needed in order that an exchange student can attend C.H.S. next year. The student would probably be a senior. Mrs. VanCamp said, and the family taking a student into their home would have the option of having either a boy or a girl.

Doris' hobby of oil painting is evident in her home. Young Darlene proved to me that she possesses the same talent as her mother, by producing a couple of jars she had painted. These are to be used for faces, just as she is the first blossoms of spring appear. Little Donna wiles away many hours at her favorite sport, riding her hobby horse.
