## Area Units Completing Preparations For Scout-O-Rama Program, April 27

Cubs, Boy Scouts and Explorers of this area along with other units of the Ottawa District of Clinton Valley Boy Scout Council are now busy completing building booths and perfecting displays for their big "Scout-O-Rama" to be held April 27 in Walled Lake Senior High School.

Boys are now completing efforts to sell 25,000 tickets for the Scout-O-Rama extravaganza.

Most popular theme chosen by the units is Cubcraft. Preparing demonstrations of various phases of the wide topic are nine Cub packs. Indian lore, too, is high on the list of choices by the boys. Four packs and a troop are completing work on colorful feathered and costumes.

Outdoor activities, meanwhile, captured the interest of some of the older Scouts. Some of these include camping, troop 109 and post 48; canoeing, post 109; survival, post 110; pioneering, troop 108; fishing, troop 36; and cooking, troops 61 and 103.

The merit badge and hobby classification seemed most appropriate to ten other units. These are aeronautics, troop 107; marksmanship, troop 110; plaster casting, pack 104; rope making, troop 117; stamp collecting, post 67; wildlife management, post 111; and woodworking, pack 107 and post 108.

Other booths are first aid, troop 48; emergency service, post 12; eyes in the sky, pack 68; totin' chips, troop 42; and Waite's store, official distributor for Scouting.

In addition to the "action-packed booth demonstration," reports Earl Gruber of Westacres, general chairman, there will be a hour-long stage show set for 3:30 and 8:15 p.m.

The "Scout-O-Rama" will be open from 2 to 9:30 p.m. Tickets are still available from any Scout in Ottawa District communities.

## County Child Guidance Clinic Plans Open House

The Oakland Child Guidance Clinic is planning to hold an open house at their offices at 113 Franklin Boulevard in Pontiac on Thursday, May 2. The clinic's branch office in Birmingham at 386 E. Maple will open during the afternoon and evening of May 1 and the public is invited to make a visit. The Birmingham Branch is sponsored and financed by the Junior League of Birmingham.

The work at the clinic, a branch is focused on prevention and treatment of emotional disorders in children. The agency is a joint endeavor of the Michigan State Department of Mental Health and the citizens of Oakland County. Local funds for the clinic come from the Oakland County Board of Supervisors, Pontiac Area United Fund, the Townships United Fund and the United Foundation of Detroit.

Open house in both Pontiac and Birmingham will give all the citizens of the area an opportunity to meet the staff and board members of the clinic and to learn how the agency promotes mental health for all children in Oakland County. The Pontiac building will be open to the public on Thursday, May 2, from 2 p.m. until 5 p.m. and 7:30 to 9:30 p.m.

## Bits Of News from Kendallwood

MRS. G. T. BIRD  
GR. 4-3459

The Kendallwood 1 Newcomers Club will meet Tuesday evening, April 30 at 8 p.m. at the home of Mrs. Robert Love, 28224 Thorny Brae Road.

The first visit of Ray Henstock of the Detroit Garden Center was enjoyed so very much that a return engagement has been scheduled for this April meeting. He will speak on "Planning Your Garden with Annual and Perennial Flowers."

Reservations must be in by Saturday, April 27. Those planning to attend are asked to call Mrs. Richard Morgan, GR 4-3306, or Mrs. Louis Arman, GR 4-6225.

Mr. and Mrs. John Bomb of Thorny Brae Road had a surprise birthday party recently for Mrs. Al Ezdula. Mutual friends from Detroit and Dearborn were invited and Mr. and Mrs. Tony Schmidt of Bayberry Road.

The Country Women's Association, a part of the Extension Service of Michigan State University, will have a bake sale Saturday, April 27, beginning at 10 a.m. The bake sale will be held in Butler's Orchard, just west of Kendallwood 1 on Twelve Mile Road. The proceeds from the sale will be added to the funds of similar organizations to purchase a station wagon for the Foundation Aiding Emotionally Disturbed Children - Pontiac State Hospital.

Anyone interested in helping this group of Kendallwood women in this venture, are asked to call Mrs. Joseph Schultz, GR 4-9253. Teenagers or their parents are requested to contact Mrs. Alice Mandulak after 3 p.m., GR 4-1112, or Mrs. Betty Thomas, GR 4-7097, if interested in forming a teenagers club. The first meeting of the proposed new group is scheduled to be held Saturday evening, May 4, at 8 p.m.

## Gives Tips On Tree Planting

From now until leaves appear is the ideal time to plant trees, according to Harold Shick, extension specialist in park management at Michigan State University.

April 28 has been designated as Arbor Day in Michigan to emphasize tree planting and care. Many communities will conduct programs on that date to stress planting but trees may be planted now, says Shick.

The M.S.U. specialist lists these trees as suitable for planting in Michigan:  
 Large size (over 60 feet tall at maturity):—sugar maple, sycamore, and London plane, American elm, red oak, white oak and bur oak, European linden, white, green and black ash, tulip tree or tulip poplar, thornless honeylocust or moraine locust, hackberry and a Kentucky coffee tree.

Medium size (40 to 50 feet):—Norway spruce, little leaf linden, gingko, English oak, pin oak, scarlet oak, mountain ash and sweet gum.

Small size (20 to 35 feet):—ironwood, amur maple, latalian maple, flowering crab and cherries, hawthorn, althea and flowering dogwood.

Shick makes these recommendations for planting the trees:  
 Choose the proper location. Do not plant trees under wires or over sewers, water or gas pipes if this can be avoided. Avoid planting close to walks, drives or curbs.

"ALL THINGS ARE CHANGED, AND WE CHANGE WITH THEM!"  
 (Author's Name DeWitt)

In recent years there has been a great change in the practice of medicine and pharmacy.

To keep pace with this change we pharmacists are continuously studying the drug and medical journals. As soon as a new drug is released we not only stock it, but learn all about its dosage, action, proper compounding, and preservation.

That is why we are prepared to compound any prescription, prescribed by any physician, no matter how distant, exactly as he specifies.

## Plenty of hot water with DETROIT EDISON'S NEW ELECTRIC WATER-HEATING SERVICE

New, more efficient water heaters—built to Edison's specifications. New water-heating plan from Edison. Together they make the finest hot water service ever offered in Southeastern Michigan.

Completely new, completely different, the electric water heaters for 1957 are not only the safest kind you can buy—they're the most practical, too. Built to Detroit Edison's own rigid specifications, dollar for dollar these new electric water heaters last longer than any other heater you can buy.

What's so new about the new electric water heaters? Redesigned from top to bottom to give you more hot water for your money, the new type electric water heaters for '57 now include two

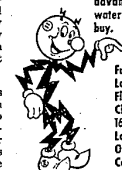

higher wattage heating units that operate completely automatically. As your hot water supply goes down, one unit automatically goes on—quickly heating up more water for you to use when you need it. No waiting, no worries. There's always plenty of hot water on tap. And because of this unique new design, you can get more hot water than ever before from the same size heater. Then, too, since it's built to Edison's own specifications, you know you can rely on the quality and depend on it to operate better, last longer.

For still greater economy—Edison's new Super-Supply Plan. To make the new electric water heaters even more economical, Detroit Edison has introduced its Super-Supply Plan. This simply means that now, for a surprisingly low flat monthly rate, you can get much more hot water than ever before for just pennies per day.

Safer . . . no flame, no fume. There's automatic safety always built into an electric water heater. No flame, no fume. It's even safe enough, and good-looking enough, to go right in your kitchen or utility room. Because of its excellent insulation, it's cool to the touch—top to bottom. And only electric water heaters are so clean, noiseless and odorless.

Here is new proof that you always live better, electrically.

Reddy Kilowatt invites you to inspect these tremendous advantages of ELECTRIC water heating before you buy.
