

30 Complete In-Service Training At Northville

This past Monday, May 27, 30 attendant nurses at Northville State Hospital graduated from the Intermediate In-Service Training Course.

They had successfully completed a 150 hour course of instruction. The course is presented by the Nursing Department and various allied hospital disciplines participate. Recommendations for content of the course are made by the State Department of Mental Health and each hospital applies them to their situation.

The primary objective of training is "To develop the ability to contribute to complete nursing care of the emotionally disturbed patient."

To Receive Degree From Cranbrook

Walter Bagdade of Farmington will be one of 60 boys from all over the country graduating June 8 from Cranbrook School in Bloomfield Hills.

Walter, 17, is the son of Mr. and Mrs. Benjamin Bagdade, 2941 12 Mile Road.

May E. Larsen, president of Time Inc., will deliver the commencement address. In addition to his publishing work Larsen has been active in the educational field for many years. He holds honorary degrees from ten colleges and universities throughout the country, is chairman of the advisory board of the National Citizens Council for Better Schools, and a member of the President's Committee on Education Beyond the High School.

He has been associated with Time Inc. since 1922. In 1939 he succeeded Henry R. Luce as president and editor-in-chief of the publishing company.

Making a turn off of a through highway from the wrong traffic lane is one of the surest routes to the repair shop or the hospital. Make right turns from the right lane, left turns from the left. There are seldom any exceptions to this rule.

CONGRATULATIONS were extended last week by E. S. Evans, Jr., president of the Evans Products Company of Plymouth to John Schweitzer, who completed his 35th year with the Evans company in May. Schweitzer, at left, a resident at 21681 Purdue, Farmington, is a foreman in Evans' Railroad Division. A son, Bill Schweitzer, is also a Railroad Division foreman, having been with Evans 18 years.

Walking Conditions To Schools Poor

Dear Sir:

I walked to school to go with my child's class on an observation tour as a part of the class studies.

Mind you, this is not the first time I have walked the distance of almost a mile and experienced similar conditions to the one this time. The further we walked the muddier I and the children who were with me got. And the muddier we got the angrier I got. It was not only the mud underneath that bothered me but the inconsiderate people who drove past us with no consideration whatsoever as to whether they splashed us with mud or not.

* These are the conditions under which our poor children are walking to school in this area.

Busse are still being used for the convenience of bus drivers. There are buses going down the roads that children walk on, empty or nearly so, but they must not stop to pick them up. Instead, they continue by and also splash them.

Now mind you, I am all for the wonderful outings for the children but I think their everyday needs should come first.

Parents, don't you care how your school tax money is spent? What good are more schools when the children presently have these conditions to get to schools?

Be sure to vote. Let's get someone on the School Board who will do something about this transportation. The few parents who have tried are not enough. We need a majority.

Some of you men get out and walk with the little ones in the snow, rain, mud and cold. I bet you would start something after doing so.

The School Board has apparently forgot that all the children walking to schools are not living in the new subdivisions where the walks and roads are paved. Children in the old forgotten subdivisions of the area do not have paved walks and roads to walk on but their parents are taxpayers just the same.

We love our children and want something done about this sad state of affairs. I for one want my school tax money spent for the welfare of the children's safety as well as knowledge wise.

I am a resident of Hollywood Subdivision and have a child attending the Shawassee School.

Sincerely,
Mrs. Russell Hacker

fore they are cured and infecting others with whom they come in contact.

Of the thousands of tuberculosis patients in Michigan, only about 150 who refuse treatment will be affected by the law.

Local Schools will get all the money in state aid they believed they were guaranteed a year ago. The legislature advanced the payment of \$24,000,000 from the primary school interest fund from July 1 to April 30 to make certain local school budgets would balance this year.

Last year, the schools said they believed they would get enough to pay \$190 per pupil from their automobile two-thirds of the state sales tax.

Sales tax collections dipped below the anticipated amount and schools, which had already completed their budgets on the higher figures, were in deep financial troubles.

Some had to borrow money for operating expenses and there was danger that some teachers would have payless paydays.

Urging the schools to economize, the legislature approved the advanced payment of money. They agreed it might create another shortage in the fall, but said money would be available by that time to cover the shortage.

Cranbrook Student Art Exhibit Opens May 31

Climaxing a year of work and study, the students of Cranbrook Academy of Art open their annual Student Exhibition to the public on Friday evening, May 31, at 8 p.m. in the Academy Galleries.

The exhibition will include selected works of painting, sculpture, ceramics, design, weaving, metal-smithing, and architectural projects.

It will remain on display throughout the summer months daily, except Mondays, from 2 to 5 p.m.

Receives Scholarship For Graduate Study

Among the seniors at Albion College to be awarded scholarships for graduate study for the coming year is Thomas F. Brown, son of Mr. and Mrs. Charles F. Brown of 25809 Farmington Road.

Brown only recently received a scholarship in Religion at Boston University.
