### "Brigadoon" To Run From August 6-11 At Music Circle Tent Theatre

The enchanting musical comedy "Brigadoon", one of the most popular musical shows in American stage history, will come to Music Circle, the tent theatre located on the grounds of the Botsford Inn, Grand River at 8 Mile Road, beginning August 6 and running until August 11.

Betty McNamara and Dick Armbruster, who have already established themselves as favorite with Music Circle audiences, will again be the featured romantic leads in this captivating fantasy of a phantom Scottish village. Also featured will be Lester Rawlins, Grace Thomas, Jeff Duncan and Vivian Joyce.

"Brigadoon" tells in story, music and dance the tale of two Americans, one romantic, the other a cynic, who make a chance into a Scottish Highlands village called Brigadoon, a delightful phantom community that comes to life one day each century. It is the day of a fair and the day of a wedding—and the day that the village comes to life.

The romantic Yank meets a

beautiful lassie with whom he falls in love and the sarcastic Yank is pursued by an impudent and amorous Scot. A tearful return to this Scottish village when a jilted suitor interrupts the wedding party to declare that he will leave Brigadoon forever, an act which would cause the mystic village to disappear for all time.

The exciting chase of the suitor and his attendants provide some of the poignantly lovely scenes of American stage musicals. Romantic Americans, seeing that this unusual day is drawing to a close, have to make up their mind whether to return to America with his friend or to stay forever in this Scottish Shangri-La with his beloved.

"The Boy Friend", the current show at Music Circle, will end its run this Sunday, August 4.

### Players Attend Shakesperian Festival Saturday

The Farmington Players were well represented at the Stratford Shakesperian Festival held Saturday, July 27, in Stratford, Canada.

Among those attending were Mr. and Mrs. Edward Moseman, Mr. and Mrs. Charles Hannan, Jim and Nancy Hannan, and Mr. and Mrs. Nancy Hannan, all of Farmington.

The Stratford Shakesperian Festival has developed within the last five years. In the opinion of Mr. Moseman, a recognized authority on classical theater, this group produces the best Shakesperian drama available at this time.

The two dramas "Hamlet" and "Twelfth Night" were produced. The part of Hamlet was performed by Cyril P. Plumb. Cyril Plumb has been active in this theater group for five years and according to Moseman, displays talent and ability which, with ten more years, could produce acting equivalent to Sir Laurence Olivier. The drama "Twelfth Night" starred Stephen McEnery, and was said to be equally good.

"The Stratford Shakesperian Festival" held annually in Stratford, Canada, some 12 miles from Farmington, is an event that The Farmington Players highly recommend to anyone interested in the finest of Shakesperian works.

### Hawleys Feted At 25th Wedding Year Parties

Although Vern and Clara Hawley's 25th wedding anniversary will not be until August 9, a series of surprise parties have been held in their honor.

Mr. Hawley's sister, Mrs. Helen Kraft, of Outer Drive, Dearborn, entertained a group of 20 relatives and the "Western High School Group" who have been together since their graduation in 1927, entertained the couple at the summer home of Mr. and Mrs. Alex Doran of Lathrup, Grand Rapids.

On Saturday, August 11, a group of friends from Groesse Pointe Park and Detroit will honor the Hawleys at the Robson's Farm at Belleville. Loraine and Tom, their daughter and son, are also enjoying the happy occasions in honoring their parents' Silver Anniversary.

The Hawleys have lived at 2125 Middlebelt Road, Farmington, after purchasing it in 1946 and have made many friends in the Clarencerville and Farmington area.

The modern trend in preparing most vegetables is the use of as little water as possible and rapid cooking.

Nutritionists generally agree that for most persons, it is beneficial to eat some fruits and vegetables raw, as in salads, and from the fruit bowl, because in that way all the nutritional value is obtained.
