COMpletely automatic bowling alleys now have been put into operation at Norwest Lanes. A special feature is the new over-under lane ball returns.

Add Eight Alleys At Norwest Lanes, Completely Remodel Older Section

Work on the enlarging and complete remodeling of the Norwest Lanes Bowling Alley, formerly Nor-West Recreation, at 22905 Northwestern Highway has now been completed, proprietors Thomas Langan and his son, Tom, disclosed.

The bowling alley has been doubled in size, offering bowling on 16 fully automatic alleys equipped with automatic AMF pinspotters. The eight original alleys were completely refinished and serviced at the same time that the new alleys were installed, the proprietors said. New over-and-under-lane ball returns have been installed as an additional feature. This is the first bowling alley in the Michigan-Ohio area to have this new feature installed, Langan said.

The overall size of the new building is 190 x 150 feet. An ultra-modern type of lighting has been installed throughout not only adding beauty to the interior of the building but also designed to keep eye tension for bowlers at a minimum.

A large lounge area with snack bar, lockers, with lockers for both men and women, have also been incorporated in the newly designed building. New fiberglass benches have been installed in the bowling area. Refreshments will be served from a newly installed snack bar.

Periods for open bowling have been set aside, Langan stated. He also indicated that there are still openings for women leagues and bowlers on Wednesday nights and for a mixed-league bowlers on Thursday nights. Persons interested in making reservations for bowling may do so by calling Mayfair 6-9332.

Ample free parking space is available around the bowling alley for bowlers and their guests.

IN A RACE against time and threatening rains, workers labored frantically to complete work on permanent bleachers at the site of the new football field and running track at Farmington Senior High last Friday. By game time for the opening Falcon contest of the season, all seats in the bleacher section were in place and ready for students.

Falcons Down Livonia Bentley In Opening Game Friday, 18-8

Building up a comfortable three touchdown lead, in the first half, the Farmington Falcons coasted to an 18-8 victory over the Bentley Bulldogs of Livonia in their opening contest of the season last Friday.

The Falcons tallied on the opening kickoff when they marched from the 12 yard marking on an 88 yard drive in nine plays from scrimmage. Tom Grimschaw carried it over on a brilliant 35 yard run on an effective reverse play. Later in the first period the Falcons picked up their second touchdown on a pass interception. End Frank Clappison pulled in a Bentley pass from 30 yards out and ran it back to pay dirt.

The third touchdown for Farmington, in the second quarter, was set up by another pass interception by Clappison. He lugged in the Bentley aerial attempt and ran it back to the ten before being pulled down from behind. On the next play from scrimmage, Al LaSage took the ball on an option-keep play and skirted over from three yards out.

Bentley scored their lone TD in the third quarter when they recovered a Farmington fumble on a punt deep in their own territory. Aliden Dillen drove over for the tally. Bentley picked up its other two points by blocking an attempted Farmington punt out of danger. The ball rolled into the end zone after being blocked where it was dropped on by a Bentley defense-man.

Dave Catherman did the major portion of ball carrying for Farmington. On 17 carries he picked up 64 yards. Tom Grimschaw added another 33 yards on five carries. The Bentley defense was too strong to travel to Rochester for another no-conference contest. The game will be played under lights starting at 8 p.m.

Lady Of Sorrows Gridders Downed By Roseville

The Our Lady of Sorrows football squad, making its initial attempt at gridiron strategy, last Sunday, found itself at the short end of a 27-0 score at the hands of Roseville Sacred Heart.

A sharp offensive attack launched by Roseville after the opening kickoff, brought two touchdowns in the first quarter. Roseville dominated play in the first half, and went on to lead 29-0 at half-time.

A never-say-die O.L.S. defensive squad, led by Thomas, Unks, and Heslich, held their formidable opponents to 7 points in the second half.

Despite a recovered fumble in the fourth quarter on the Roseville 34 yd. line, a touchdown drive failed to mature.

Coach Mrozinski said that he would expect more from his team in the future, but experience is the best teacher.
