WORLD-FAMOUS Hoover Dam moves into Wonderland Center this week, giving residents of this area an opportunity to view the man-made wonder that is visited by millions each year. The phenomenal dam, canyon and ail, is a life-file replica of the original built to perfect scale, including every mechanical detail of the real dam. According to Ernie Epps, promotion director for Wonderland, the scale exhibit will be on display through this week end. The model exhibit took three years to build. A lecture accompanies each showing of the display, which is open to the public with admission charge.
