Lakepointe Sub Approved Without a Playground

After considerable discussion pro and con on whether Build-ter Fred Greenspan should: have a play ground in plat No. it was a play ground in plat No. it was a play ground in plat No. it was a play ground in the Piymouth Trawable planning commission in a special meeting approved preliminary plans for the two subdivisors as presented—without the playfield.

a No. an explanation.

Illage, Into special session, Greenspan explained that its form back as much as a year and a half its stone was forced to revise them to include the playground.

At this yo in the received backing from Township Attorners on Earl Demel who advised a gand between the playground in the plans.

The stone of the play from the play ground in his plans.

The developer defires to make a gift of such land,

C. W. Koch recalled that the has that option," sald there had been such acreage set aside and asked the builder for an explanation. In the special session, Greenspan explained that it would set his plans back as much as a year and a half the was forced to revise them to include the planground.

In the position of the plant of th

he has that option," said Demet, "but the planning commission does not have the power to force him to make allowances for a play combated power to force him to make allowances for a play some the power to force him to make allowances for a play some the power to force him to make allowances for a play some the commission that he felt a playground shouldn't be considered a necessity.

"Other builders have donated playground," Lindsoy said. "People in the subdivision appreciate the play area but none want to live in bomes surrounding it. Matter of fact, most of the time there is the power of the power of the power of the power of the property. "There are other things to take into consideration. The Township Board doesn't have the money involved in this than meets the eye. I don't think we noney involved in this than meets the eye. I don't think we noney involved in this than meets the eye. I don't think we noney involved in this than meets the eye. I don't think we should try and force an issue over which, our attorney already shall be a state over which, our attorney already shall be a state over which, our attorney already shall be the problem of policies and the problem of policies and

with the admonishments from both sources, the commission voted on the proposals and approved preliminary plans for both.

both.

Daily free lessons in cake-decorating will be given in the Home Arts Building at the Michigan State Fair, Aug. 28 through Sept. 7, by Richard V. Snyder, author of four books on the subject.
