

# Plymouth Council Asked To Reopen Fire Station

A petition requesting the City to reopen the fire station on Spring Street to afford protection for homeowners in the north end, will be studied by the City Commission, City Manager Albert Glasford and Director of Public Safety Kenneth Fisher for a final decision in the near future.

JUST LIKE A GOAT—Sandy Bells won a blue ribbon for Don Eveleth, 8, of 47010 Haben Road, Plymouth, in the pet show that was one of the features of the Fall Festival. But Sandy Bells, voted the cutest of the most unusual competition, wouldn't stand still one moment when the photographer arrived for a picture.

# Pet Show Attracts Record 250

More than 250 pets, most ever for the show at the Plymouth Fall Festival, competed in the third annual event Saturday on the central parking lot in the downtown business section.

The program was in charge of Recreation Director Herbert Woolweaver with Mrs. Gordon Andrews serving as recording secretary assisted by Dan Hay. Through the courtesy of Margaret Wilson, owner-manager of the Penn Theater and co-director of the Fall Festival, each contestant received free tickets for matinees on Saturday, Sept. 19 and Sept. 26.

The complete results:

## DOGS

**GOOD GROOMING**—Won by Mark Andrews (Wally); 2, Yarn Spay (Gert); 3, Lorna DeMeritt (Pier).

# Suffers Seizure While Driving Past Station

# Plymouth Township Fireman, Clerk Act Quickly To Save Stricken Man

Quick, alert work by Plymouth Township Fireman James Gignac and Township Clerk John McEwen is credited with saving the life of

FLUFFY didn't win a ribbon despite the efforts of her tiny mistress, six-year-old Diane Howmerson, 55 N. Harvey, to make her look her best in Saturday's pet show in the central parking lot of downtown Plymouth. The show was one of the features of the four-day fall festival.

Thomas Gregory, 28456 John Hawk, Garden City, when he was stricken with either a heart or postoperative attack while driving past the Township Hall Thursday afternoon.

Gregory, who apparently realized he was in big trouble, drove into the fire department drive and was attempting to crawl out of the car when Gignac noticed something was wrong.

He rushed out to aid the stricken Gregory and called McEwen for help when he saw the man would have to be carried into the station.

Gignac, aided by McEwen, administered first aid while a call was made

to Station 2 in the Lake-pointe Sub for the rescue truck and an oxygen tank.

After treatment, Gregory was taken to St. Mary Hospital. Later the fireman and McEwen received a call from his son reporting his father

was resting comfortably but was still in serious condition.

He praised both men and the fire department for its fine cooperation and the speed with which his father was handled and taken to the hospital.

**NOTICE**

State Highway Commissioner John C. Mackie is calling a public hearing at 8:00 p.m. on Monday, September 21, 1964, in the auditorium of the Wayne Memorial High School located on Glenwood Road in the City of Wayne.

The purpose of this hearing is to explain to interested citizens the proposed location of Interstate Route 275 in Wayne County and is held in accordance with Section 116c of the Federal Aid Highway Act of 1956, Section 128 of Title 23, U. S. Code.

It is proposed to construct Interstate Route 275 in Wayne County as a divided, limited-access freeway from a point at the Wayne-Monroe County line just east of Grafton Road, north to an intersection with proposed Interstate Route 96 in Plymouth Township near the southwest corner of the city of Livonia.

This meeting is also held to hear testimony from interested citizens regarding the economic effect of this proposed highway facility upon the area involved.

**INSTALLATION IN DETROIT EDISON AREA—NO COMMERCIAL**

**Three Good Reasons To Buy An Electric Dryer Now**

- Low Initial Cost
- Special Installed Price
- Edison No-Charge Service

When it comes to buying a clothes dryer, there are more important things to consider than an incomplete claim about a pennies-per-load operating cost.

Take dryer service, for example. No matter where you buy your electric dryer, Edison will repair or replace electrical parts with no charge for parts or labor.

How do you put a price tag on this extra-special service? One way is to look at what you'd pay for a dryer service policy. Typical charges, in this area, range from \$70 to \$150 over the first five years. This is the kind of money you save when you dry clothes the safe gentle electric way.

Also, model for model, an electric dryer costs less to buy than a flame-type does—some electric dryers are \$20 to \$40 less.

And now, for a limited time, the price paid for an electric dryer includes its wiring, if any is needed. So you save even more.

What about cost of operation claims? Just this, an electric dryer costs about 5c-7c per load to operate—and there are no other hidden costs.

Look at all the facts. **EDISON** They add up to electricity.
