with each Beautyrest Super Size Set
Your choice of Simmons Bed-stretcher Rails or steel bed frame with casters. Value \$30.00!

Beautyrest Supports each Sleeper Separately—in Single Bed Comfort

Look at the hammock type of sleep you get from an ordinary mattress with its tied-together coils. Push down on one and they all go down.

Here's why even the heaviest husband can't disturb his wife's rest on a Beautyrest. Individually wrapped coils provide separate, non-sag support.

Beautyrest, made only by Simmons, in your choice of these Super Sizes:

- Long Boy Twin (75"x90") Mattress & Boxspring. \$179.00
- Queen-Size (80"x90") Mattress & Boxspring. \$199.50
- Long Boy Full (64"x90") Mattress & Boxspring. \$179.00
- King-Size (78"x80") Mattress & 2 Twin boxspring. \$299.50

School Board Lists Bus Conduct Rules

- Many parents, understandably interested in the safety and in the behavior of their children, have asked what rules the Livonia Board of Education and its transportation unit have set up for the students who ride buses.
- The Observer, interviewing William A. McLeelan, supervisor of the transportation staff, learned that the Board has many firm rules for both drivers and for children to insure their safety at all times. The bus safety regulations require that students shall:
1. Comply promptly with suggestions of bus drivers.
 2. Be on time at designated bus stops. Buses cannot wait.
 3. Stay off the roadway at all times while waiting for the bus.
 4. Cross in front of the bus when crossing highway, not in back of the bus.
 5. Wait until bus has come to a stop before attempting to enter or leave the bus.
 6. Keep hands and head inside the bus at all times.
 7. Occupy any seat assigned by the driver.
 8. Inform the driver when absence is expected from school.
 9. Be liable to suspension by principal or superintendent from riding in the bus when such action is advisable.
 10. Expect to walk at least a half to one mile to elementary bus stops if necessary and up to 1½ miles to high school bus stops if necessary.
 11. Keep bus clean, sanitary, and orderly.
 12. Report to driver at once any damage to the bus.
 13. Not leave the bus without the driver's consent.
 14. Avoid loud, boisterous, or profane language, or indecent conduct of any kind.
 15. Not open windows or doors except by permission of the bus driver.
 16. Not enter or leave the bus until it has come to a full stop, and the door has been opened by the driver.
 17. Not cause the bus to wait at a scheduled stop; however, the driver will wait for you the first time he sees you running for the bus.
 18. Not be considered tardy if the bus is delayed for causes for which they are not responsible.
 19. Perform their duties as bus patrols according to the procedures set forth in the A.A.A. publication, "The School Bus Patrol."
 20. Not board the bus until the driver is in the bus.
- Business office administrative assistant William Bedell pointed out the enviable safety record Livonia has.

"Some people may think we are a little severe with the youngsters who ride on buses," Bedell said. "It is true that we are firm. The safety of Livonia school children depends on reasonably orderly behavior in moving vehicles. If we all work together Livonia can have the finest safety record of any city in Michigan."

THREE HUNDRED and twenty people attended the Safety Round-Up sponsored by Consumers Power Livonia Service Center. The children enjoyed a Limbo contest, games, and a special ride on a truck with a bucket lift. Adults as well as children were impressed with exhibits including the Livonia Fire Department booth on Safety Practices in the home.
