Although transporting almost lems and a maximum of co900 more students this year than in 1963-84, the Plymouth Community School system has answered the challenge with a smooth operation that took can be a smooth operation but to be a smooth operation. The way state that the smooth operation but the smooth operation. That was the report of Transportation Director Robert Melvin Director Ro

school district boundaries, added 475 to the Plymouth

lead.

The Plymouth School Board furnishes transportation to all young sters— kindergarten through grade three—who live in a high traffic area. Other than that, grades three through six, must reside more than a mile from the school and grades six through 12, a mile and half.

The same rules apply for pu-pils of Our Lady of Good Coun-sel and the Lutheran Day schools.
