P. T. A. Slates Art Workshop

An art workshop featuring "self-made" masquerade masks will highlight the first meeting of the Ten Mile School P.T.A. on October 19 beginning at 8 p.m.

An informal social gathering in the classroom will precede the meeting. This will afford

parents the opportunity to meet the teachers.

Mrs. William Ampere, newly appointed president of the P.T.A., will conduct the short business meeting that is planned.

The school's art department will provide various materials for making the masks. Crayons, chalk, torn paper and paints will be some of the materials provided. Both the parents and teachers will be urged to participate in the workshop.

Kenbrook P.T.A. Holds Meeting

Mr. Jack Cleveland, principal of Kenbrook school, introduced the school's faculty at the first meeting of the Kenbrook P.T.A. September 21. Mr. Cleveland also spoke on the responsibility of educators for developing in children a sense of appreciation for property and respect for law and people.

The next meeting of the P.T.A. will be at 8 p.m. October 20 at the school.

A political panel featuring Richard Kuhn, Republican candidate for Congress from the 19th District and his Democrat opponent Billie Farum, will highlight this program. The panel will examine such national issues as the Education Bill, Medicare, Foreign Aid and Civil Rights.

There will be an open forum after the panel presentations. All are invited to attend.

YOU CAN DO IT if you want to—and the above ladies proved it. They wanted to each lose weight and by group therapy they managed to lose (collectively) 330 pounds. (L-r) from Livonia, Elda Compton, 41 pounds; from Farmington,

Mary Gregory, 30 pounds; Florence Krings, 28 pounds; Meta Taggart, 51 pounds; Almee Lundsten, 77 pounds; Agnes Blanchard, 88 pounds; Ila Rogers, 16 pounds.

Seven Women Shed 330 Pounds

The above group of women are visual proof of what can be done through group therapy.

All are members of the Women's Health Class which meets regularly every Thursday evening at the Farmington High School and are concerned with health problems created by overweight.

By studying and discussing diets, having lectures on how weight can affect health; encouragement from fellow members; by contests and an ideal goal to work toward, these seven women have been successful in losing a total of 330 pounds.

When a woman has attained the ideal goal set for herself, a party is given her by the fellow members. Such was the occasion last Thursday evening when 28 members and four guests gathered at Salem United Church to honor Meta Taggart.

She was presented with a corsage and a tiara was placed on her head so that she might reign as "Queen" for the evening. Dieting was forgotten as all enjoyed the pot luck supper. Many good wishes, congratulations, and gifts were bestowed upon Mrs. Taggart for having lost 51 pounds.

Women who have a weight problem and are interested in

achieving a slimmer, trimmer figure together with better health and more pep, are invited to join this group on Thursday evening. Call Mrs. Krings, GR 6-0441 or Elda Compton, GA 1-6515 for more information.

See You There!
