## Area Youth's Fitness Tested By Marine Corps

### FARMINGTON

The Festival will launch several new "firsts" this year and among them is the youth physical fitness event sponsored by the area Marine recruit office. The competition will be held at 9 a.m. Thursday, July 26 at city park.

Entry blanks were due last week for the competition but the event should prove interesting to spectators, especially youngsters.

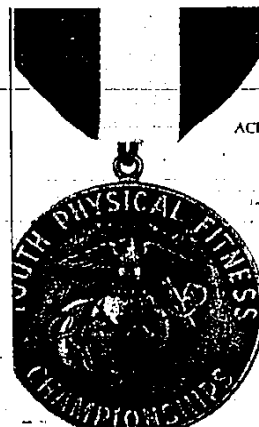

Four age groups have been set up (11-12, 13-14, 15-16 and 17-18) and both boys and girls were invited to participate.

Winners will receive trophies or ribbons. All entrants will receive a recognition certificate from the U.S. Marine Corps.

The event tests your fitness in five areas: situps, pushups, pullups, standing broad jump and a 300 yard shuttle run. The winner is determined by points.

The program is being run by Sgt. Jack Armstrong, from the Livonia Marine recruit office. Tiger Jim Northrup and Miss Marine Corps, Donna Lynn Ryan, an OCC freshman, are both expected to be on hand.

Each fitness event will be demonstrated before the competition starts. Awards will be given Saturday at the parade grand stand.
