

BULLETINS FROM BENTLEY

SUSAN By Sue Dowell and Marcia Wilson MARCIA

Bentley's most gala annual affair of the season was held Friday, Oct. 16. All alumni of Bentley returned to attend the first of the Bentley series of the Homecoming game and dance. At halftime during the football game against Trenton, which was won by Bentley with a victorious score of 7 to 0, the three floats, one from each class made their grand entrance. They were led by last year's Homecoming Queen, Nina Smaniotto. Since the theme of the Homecoming was the World's Fair each float had something to do with one of the many World's Fairs that have ever taken place. The sophomore float took the Tower of Lights from this year's New York World's Fair. The sophomore girls riding their float were Anna Marie Burkland and Pam Elliot. The junior float took the theme of the St. Louis World's Fair and turned their float into a first trolley car. The girls riding the Junior float were Donna Nicholson and Candy Loren. The senior float took the trophy for the best float with their imitation of the Eiffel Tower in remembrance of the Paris World's Fair. The girls riding the Senior float were Lea Mitchell, Jean Wyllie, and Mardie Winston. Of these three girls Jean Wyllie was crowned Homecoming Queen of 1964.

Besides the Sophomore, Junior, and Senior floats the Concert Choir and Band of Bentley each entered a smaller float. The Concert Choir float

was an imitation of the Unisphere and the Band float was an imitation of what music by computer would be like. Besides the float parade at halftime the Bentley Marching Band gave a splendid performance in spite of their 15 year old marching suits. The Band still needs these stamps for new uniforms so let's get them in!

On Tuesday, Oct. 13 Junior Achievement had its first meeting. As members of J.A. teenagers in a large group from a company, name the company, choose officers and board directors, and choose a product to manufacture. Mr. Ron Snavely, one of the head directors at the Junior Achievement Headquarters near Grand River and Mile, spoke to Bentley students on the value of Junior Achievement.

Five years ago members of J.A. built a car that was completely handmade. They got the parts for the auto from a junkyard. The upholstery was hand sewn by girls and the whole thing was made from scratch. When the car was finished it was sold for \$3,000. Bentley students will have an opportunity to do just as these J.A. members have done. The purpose of J.A. is to help teenagers get a better idea of the business world.

Parnassus, an important organization at Bentley has opened a bookshop. Students are able to buy and order pocket books of their choosing.

Plymouth Hi News

By CAROL OTWELL

Through the years, Plymouth High has had more than its share of students who receive national scholastic honors, awards, and scholarships. This year will be no exception as three seniors have been honored for their outstanding performance on the National Merit Qualifying Test given last spring.

Peter Ackerman, Christopher Rowland, and Susan Ryba were awarded Letters of Commendation in recognition of their high performance on the qualifying test. Throughout the country, 36,000 students merited this honor.

The NMQST is a three hour examination that covers five separate areas of educational development. Finalists in this competition will receive a four year scholarship to the college of their choice.

Sixteen senior boys were also honored recently when they were selected to become members of the Junior Rotary Club. Petitions were passed to the teachers of Plymouth High to select the boys.

Chosen were: Frank Baumgartner, Mike Bentley, Paul Campbell, Terry Cosgrove, Doug Fey, John Hannula, Jeff Hoffmann, Dick Johnson, James Lahti, Clark Raven, Tim Steiner, Dave Tidwell, Bob Waters, Dennis Watson, Tim Wernette and Bill Wilson.

Each month, two will be selected to attend the Rotary Club meetings on Friday afternoons. Those selected for this month are Frank Baumgartner and Tim Wernette.

The Junior Rotary Club is designed to interest boys in Rotary and give them a chance to present their ideas on business matters to an adult group. It also gives the boys a chance to hear a businessman's point of view.

The boys are planning a program for the Rotary Club some time in May or June.

Mayor John Hannula has announced that identification cards will soon become a reality at PHS. The All State Photo Company is making the ID cards for both seniors and underclassmen.

Each student will be issued a card with his picture on it and will use it to gain admission to school functions.

The cards, which will be in effect this year, have been the desire of many preceding Student Councils, but the plan has not been carried out until this year.

Other officers on this year's council besides Mayor Hannula are: Vice Mayor, Janis Firestone; Secretary, Betty Ann Scudlark; and Treasurer, Don Stamper.

Bentley to Host Parents for Annual Open House Night

On Tuesday, October 27, the Bentley High School faculty will provide a special three-hour program for parents of all students currently enrolled. Each parent will follow the daily schedule of his son or daughter, meeting the teachers and discussing course objectives, content, and standards. There will be a few questions at the end of each period to ask questions.

Parents are asked to register near their student's home office. Parents of seniors will register in the senior lobby near the auditorium, parents of juniors will register in the junior lobby near the gymnasium, and parents of sophomores will register near the sophomore home office.

Sophomore parents should use the east wing entrance off Five Mile Road and the parking area.

Immediately adjacent. Parents of juniors should use the south parking lot on the corner of Hubbard and Jamison. Senior parents may park in the AAA parking lot as well as in any school parking area available.

The schedule for the evening will be as follows:

7:00-7:20 p.m.—Registration.
7:20-7:55 p.m.—Period I.
7:55-8:20 p.m.—Period II.
8:20-8:45 p.m.—Period III.
8:45-9:10 p.m.—Periods IV & V.

Study halls will not be held as scheduled. Parents are invited to spend this evening visiting the library, talking with the Student Activities Director, or meeting with the Counselor who is assigned to their son or daughter. Conferences with teachers and counselors may be scheduled for a later date.

Since each class will be meeting for only twenty minutes, the time available does not permit the teacher to engage in personal conversations regarding the progress of each individual student. Counselors will arrange conferences at times and dates convenient to interested parents.

Refreshments will be served in the new multipurpose room from 8 to 10 p.m. Parents are invited to visit this new facility anytime during the evening.

Appearing on "Meet Your Candidate" night, sponsored by the League of Women Voters of Livonia, the candidates are slated to speak at 8:30 p.m., Friday, Oct. 30, at the Franklin High School auditorium, 3100 Joy Road.

Among the candidates who have been invited to speak are those for the office of U.S. Senator, Lieutenant Governor, 19th Congressional District, 14th State Senatorial District, and the 33rd and 35th State Representative Districts.

Following each candidate's speech, there will be a 15-minute question and answer period in which members of the audience can participate.

Moderator for the program will be Mrs. Ronald Campbell, Voter Service Chairman for the League of Women Voters.

Area Obituaries

CHARLES GOW. Services for Mr. Charles Gow, 60, of 1012 Westman Ave., Plymouth, were conducted in the Schrader Funeral Home in charge of Rev. Norman Berg with burial in the Pleasant Hill Cemetery.

Mr. Gow died Oct. 8 in St. Joseph Mercy Hospital in Ann Arbor. He was born April 4, 1904 in Farmington Township. He was a maintenance worker at Dunn Steel Products Co. Surviving are his wife, Mrs. Irene Gow, a son, Charles of Plymouth, and a daughter, Mrs. Anna Bayman of Pleasant Hill.

FRANCIS SLOVER. Services for Mr. Francis Slover, 42, of 927 Melrose, Livonia, were conducted in the Holy Sepulchre Church with burial in Holy Sepulchre Cemetery.

Mr. Slover died Oct. 6 following a long illness. He was born May 23, 1922 in Scotland. He was employed as a tool and die maker and was a member of St. John's Church and the Disabled American Veterans.

Surviving are his wife, Mrs. Louise Slover; three daughters at home, one Patricia and Kathleen, and one son, Michael; and his parents, Mr. and Mrs. Patricia Slover.

LAVENE WILSON. Services for Mr. Wilson, 68, of 1337 Northview Road, Livonia, were conducted in the Schrader Funeral Home in charge of Rev. Hugh White with burial in Grand Lawn Cemetery in Detroit.

Mr. Wilson died Oct. 6 in St. Joseph Mercy Hospital in Ann Arbor following an illness of two weeks. He was born Oct. 6, 1895 in Michigan.

He was a member of the First Methodist Church in Plymouth; a member of the 119 Field Artillery, and was a member of World War and was a member of Division 25, District 1, Calumet, Detroit, and Mrs. Martha Caldwell of Milan, Pa.

Surviving are three sisters, Mrs. Edith Bacon and Mrs. Margaret Caldwell, Detroit, and Mrs. Martha Caldwell of Milan, Pa.

STEPHEN WILSON. Services for Mr. Wilson, 37, of 14024 Melrose, Livonia, were conducted in the Schrader Funeral Home in charge of Rev. Jay Condon with burial in Holy Sepulchre Cemetery.

Mr. Wilson died Oct. 18 in St. Mary's Hospital. He was born Aug. 21, 1927 in Sheffield, Pa., and was a graduate of the University of Michigan. He had resided in Livonia for two years.

Surviving are his wife, Mrs. Dorothy Wilson, two sons, Robert and Lawrence; a sister, Mrs. Albert Water, two brothers, Victor and Eugene; and one grandchild.

WILSON REPAIR. Services for Mr. Reeder, 80, of 316 Reeder Trail, Stockbridge, Mich., were conducted Tuesday in the Schrader Funeral Home.
