

Franklin High Plans 'Indian Summer' Homecoming Theme Next Saturday

"Indian Summer" is the colorful theme chosen for the Franklin High School first annual "Homecoming." Careful and considerable planning by FHS students committees will make it one of the top events of the school year.

The fun day starts with the FHS—Oak Park football game and—2 p.m. Saturday, Oct. 24, at Bentley Field. Festivities will move rapidly from then on—featuring a lively presentation at halftime of the Homecoming Court—but the "Queen" will still be a secret.

After the school float will ride, the Queen will be by the Melodolares.

High point of the dance, of course, will be the announcement of the "Queen," who will be chosen from the three Seniors, Mrs. Gail Davey, Mrs. McMenamy, and Cori Gorak, who were nominated and elected by the FHS student body. The Juniors, Gail Davey and Linda Thayer, and two Sophomores, Linda Karras and Terri Passen, will also be picked by popular acclaim, will add dignity to the Queen's Court.

Do we really need a Medicare Tax

Health care is now available for "over 65's" who cannot afford to pay

If you are over 65, facing medical expense and can't pay for it... it's yours for the asking, already provided for by law. The Kerr-Mills Act offers a Health Opportunity Program for the Elderly with the federal and state governments sharing the cost.

In most states this care is far greater than that offered by Medicare proposals... and no additional tax is necessary!

If you are elderly, and without funds for needed medical care, ask your doctor about the Health Opportunity Program for the Elderly, or call your local medical society.
