• Allstate "First Line" Guardsman Nylon

Tough race drivers and fleet users have put these Guardsman tires through grueling tests. They proved that the full 4 plies with Nylon cord are 40 to 60% stronger than tires with nylon cord. 7 times more P95 rubber toughens tread against road knocks and abrasions.

• Allstate Safe-T-Tread Re-Cap Snow Tires

Sears best recap tire. Every carcass fully inspected... only top quality ones are used. We retread major brand carcasses other than Allstate if they meet our standard of quality. Tread deep as on new car tires.

Tread Life Guarantee

AGAINST ALL FAILURE

Every ALLSTATE tire is guaranteed against all failures from road hazards or defects for the life of the original tread. If the tire fails, we will either replace it or, at our option, repair it without cost or, in exchange for the tire, we will replace it, charging only for tread wear (charge will be a pro-rata share of exchange price).

Tread Wear GUARANTEE

We guarantee tread life for the number of months designated. If tread wears out within this period, return it. In exchange, we will replace it, charging the current exchange price less our dollar allowance. *Exchange price is regular price plus federal Excise Tax less trade-in at time of return. (No trade-in deduction on a new tire.)
