

THE FINISHING TOUCHES on Santa's throne at Livonia Hardware Co., Five Mile at Farmington, are placed by Al and Beth Margolin and Joe Turner. The hardware store—gutted by a fire last August—is marking its grand re-opening with a special sale this Friday, Saturday and Sunday.

## Fire Damage Repaired, Livonia Hardware Re-opens

On August 15, 1964 a fire completely demolished the Livonia Hardware and Home Center at 33533 Five Mile Road.

It has been a long road for the co-owners, Al Margolin and Joe Turner, since that time but with the store's grand opening (or re-opening) last Monday a goal was reached.

With the utter destruction of the store, the owners were forced to start the rebuilding from scratch.

They decided to do the job right. Toward this end they engaged the services of Andy Anderson of Cotter & Co. who served as the main architect. Assisting in the project was Harvey Bennett of the Michigan Retail Association.

## Jaycees Push Plans for Area Candlelight Ball

Jaycees throughout western Wayne and Oakland Counties are continuing to push a ticket sale for their "Candlelight Ball" on New Year's Eve, designed to raise money for a new swimming pool at Plymouth State Home.

A Community Project by Jaycees in District Six—which includes Livonia, Redford Township, Farmington and Plymouth—the ball will be held at the Carpenter's Hall on Grand River near Lahser in Detroit.

Participants in the ball have a choice of three prices for tickets—\$12 for the cost of one ticket for a couple to the Ball, \$30 for the cost of a sponsor's ticket, which entitles purchaser to a ticket to the Ball, plus recognition on the dance program, and \$100 as the minimum contribution for a ticket to the ball, recognition on the program and permanent recognition on the plaque to be placed at the pool site.

Further information may be obtained from Howard Cole, 21293 S. Brandon, Farmington, 478-7923.
