CINESPHERE SHOW

December 4 to December 13

★ EXCITING ENTERTAINMENT ★ ANIMATED EXHIBITS
★ FREE! 2 MINIATURE CORVETTES

Seeing the Cinesphere Show is an experience you won't want to miss. You'll discover the feeling of taking a tight turn at high speed in a new Chevrolet . . . the exhilarating effect of breath-taking acceleration and quick braking. In fact, you'll feel as though you're a part of everything that takes place on the screen through the magic of Cinesphere. There are interesting exhibits and displays at the show, too. Like a full size car body that rises off its chassis to show you the power train in action. And the cutaway engines that let you look inside so you can see modern engines at work. At the Cinesphere Show you'll see Chevrolet's great highway performers for '65: the luxurious Chevrolet; the completely new Chevelle; the smart Chevy II; the sporty Corvair; and the exciting Corvette Sting Ray. Bring the whole family to Chevrolet's fun-filled Cinesphere Show.
