Clarenceville Bows To Holly Cagers

The young Clarenceville basketball team found Holly too much last Friday evening in the Wayne-Oakland League opener for both teams.

With three juniors joining two seniors, Clarenceville was able to hang close to the much taller and experienced Holly team—and a favorite for the league flag—until late in the second period.

The rest was all Holly and the upstarters came through with an easy 65-48 victory.

The teams had finished the first period tied at 14-14. It was

Sorrows Gain Split on Count

One victory... one defeat.

That was the first week's story for Our Lady of Sorrows basketball team in the North-West Division of the Catholic League.

Coached by Bob Morris, Sorrows started the campaign in devastating manner by downing Royal Oak St. Mary's, 64-54.

The next time out, on Friday evening, Sorrows dropped heartbreaker to Pontiac St. Michael. The final tally was 64-53.

The heroes for Sorrows against Royal Oak St. Mary's were Miles Kearney and Brian Benner who fired in 22 and 21 points, respectively. All-Observer Football Center Mike Bars tossed in 10 points to help bolster the victors' totals.

Kearney had a great chance at least to force Sorrows into an overtime struggle against St. Michael.

Just as the game ended, he was fouled and awarded two shots. Sorrows trailed by two points at the time.

Kearney made the first attempt, but the second try slipped in — and out that was the story of the ball game.

Kearney and Benner again provided the bulk of scoring power for Sorrows. Each had 17 points. Kearney tossed in eight baskets and one free throw. Benner had seven from the floor and three charities.

Bars was third man again, this time with five hoops and one free throw for 11 points. Mike Bars, the brother of Brian, had four points on a hoop and two free throws. Tim Doyle tossed home two baskets for total of four.

Sorrows had a 23-22 edge in field goals, but from the free throw line, St. Michaels made ten to the Farmington team's seven.

It'll be Sorrows vs. St. Fredricks this Friday night after
