**REAL OLD FASHIONED PEANUT BUTTER COOKIES**  
After a summer of cool salads, platters of cold meat and outdoor cooking, now for Mothers with children in school, it's regular nourishing lunches ready for the crowd at noon. One of the standards for lunch is soup and sandwiches. Add something sweet for dessert and you have a perfect lunch either at home or in the lunch box. For the sandwiches, the ideas are endless. Starting with peanut butter is the best rule and from there, the list is up to you. The peanut butter itself can give you variety. And most people keep Shedd's Smooth Peanut Butter which is especially fine with sliced bananas. And Shedd's Crunchy Peanut Butter which goes well with jelly. A sandwich with Shedd's Old Fashioned Peanut Butter is a special treat. The cookies you like to keep on hand for hungry school boys and girls really should be made with Shedd's Old Fashioned Peanut Butter. Here's the recipe:  
1/2 cup Shedd's Old Fashioned Peanut Butter  
1/2 cup Keyko Margarine  
1/2 cup dk. brown sugar  
1/2 cup white sugar  
1 whole egg  
1/2 teaspoon vanilla  
1/4 teaspoon salt  
1/4 teaspoon soda  
1 cup enriched flour  
Cream Shedd's Old Fashioned Peanut Butter with the Keyko Margarine and beat in remaining ingredients in order given. The mix will be quite soft at this point, so have an extra cup of flour ready to add, a little at a time, till the mixture is stiff enough to drop by spoonfuls on a greased cookie sheet. Allow space between the cookies and then take a fork to press each gently. Bake your cookies at 350 degrees about 10 minutes.  
Happy Baking to you...

**Shiawassee PTA Get Acquainted Meeting Slated**  
The Shiawassee PTA will hold its first meeting of the year, Wednesday, October 14, at 8 p.m. in the school's multipurpose room. This meeting will be a get acquainted program honoring all newcomers to Shiawassee School.  
The program will include a movie from the Michigan Education Association, "Crowded Out." It is a movie showing how overcrowding of the classrooms affects the quality of teaching.  
Following the meeting a social hour will be held which will give the parents a chance to get acquainted and also get acquainted with the school principal, Mr. Ronald Jackson and his staff of teachers while refreshments are served.  
The officers of the Shiawassee PTA for the 1964-65 year are President, Robert Johnson; Father Vice President, Robert Lekovich; Mother Vice President, Eunice Lubinski; Teacher Vice President, David Coffin; Secretary, Carolyn Browning; and Treasurer, Georgia Ruelle.

**Pat Reynolds admits she was wrong!**  
(She was sure electric dryers were more expensive. Then we showed her these money-saving facts.)

- 1 Gas dryers cost a couple of pennies less per load to operate; we'd be the first to admit it. But with electric dryers you still come out ahead. Read on.
- 2 Electric dryers cost less to buy. Model for model, prices run about \$20 to \$40 lower than gas dryers.
- 3 And now, for a limited time, this lower price includes installation and wiring, if needed. For details, see your dealer.
- 4 Electric dryers cost nothing for electrical repairs or labor. According to manufacturers' service policy premiums, the average dryer requires about \$200 worth of repairs over a 10-year period. But, of course, if your dryer is electric, Edison comes out, repairs it, and leaves without leaving you a bill! (It's the only no-charge dryer repair service offered by a utility company in this area.)

Add up ALL the costs and you'll see what Pat Reynolds saw — electric dryers cost less to own.

The Ford Motor Company introduces an entirely new kind of Mercury for 1965... now in the Lincoln Continental tradition

We predict that the reaction of many people when they first see a 1965 Mercury drive by will be: "What car is that?" Mercury is that new. The look is new. Completely. Low, sleek, beautifully proportioned. (Notice the long, low proportions of the hood, the full-width grille, the unique pillar lights on the front fenders.) The ride is new. It's solid, quieter. Inside, there's an extensive selection of options for personal customizing—luxury features once reserved only for the most expensive cars. The idea behind all this newness is to bring you the most luxurious, best-riding car in its field... a Mercury that accurately reflects the Lincoln Continental tradition. See how well the idea works—at your Mercury dealer's. No medium-price car has ever come so close in luxury to the high-price class.
