Rita and Dick Crudele of Leyte celebrated their 11th wedding anniversary by spending the weekend at the Port Huron Motor Inn, which has an indoor pool, steam baths and bowling alleys. The Crudeles made use of, and enjoyed, all three.  
On Saturday evening, October 3, the date of their anniversary, they drove down to St. Clair Shores for dinner at Fisherman's Wharf.  
ON OCTOBER 7, little Donald J. (D.J.) McCord, son of Donald and Barbara McCord of Inkster Rd., "celebrated" his first birthday by emerging from the group tent at St. Mary's Hospital. Don and Barbara were camping in Michigan, with the Michigan Travel Trailer Club, when they received the terrifying call that D.J. had been rushed to the hospital with pneumonia. He is doing just fine.  
Four-year-old Timmy, son of Margie and Art Fricke of Tredwell, had his tonsils and adenoids removed on October 9. He had been scheduled to enter the hospital three weeks earlier, but the day before, he came down with tonsillitis! So, with the before and after the operation, it's been a long con-

There were at least 30 present at the Women's Association meeting held last week Tuesday at the home of Betty Brown. Co-hostesses, Julia Friedly and Alice Billis, prepared the delicious dessert. This was also the Ingeathering of the Needlework Guild of America in which there were 28 contributions: 18 garments, two sets of sheets and pillowcases, and \$68.  
There were also three new members present. Mary Kay Agnew has moved into her new home at 29023 Wellington. Husband Dick works for F. Joseph Lamb. They will swell our population of young people by four: Judy 12, Jimmy 10, Mary Lou 7, and Carol 5. We shall enjoy them all very much.  
MARJORIE WENDLING now lives in the former Day house at 28155 Westbrook. Her husband, Matt, works for Chrysler. Their son Bill, now 24, graduated from Ferris State College, has taken care of his Marine Reserve duty, and he too is working for Chrysler. They have a younger son, John, who will be 14 Nov. 2. We are very glad to welcome them.  
Helen Goldbaum was also with us. Her husband, Mike, is in the real estate business on the east side and built their home at 30750 Valley Rd. They have 5 children, 4 boys and 1 girl. Welcome to them all!  
Sherry Wells, a daughter of Cecilia Zameniski, is to be married to Paul Crowne at St. Mary's Church in Royal Oak Thursday evening, Nov. 12. Following their honeymoon, the Crownes will reside in Royal Oak.  
THE NELSONS ARE still busy entertaining. The Misses Nellie Gross and Lucille Linkelheim, whose homes are in St. Clair Shores, were on a trip to the East and stopped to spend the weekend here. These two ladies were associates of Ethel's when she was working at the Veterans Hospital in Minneapolis. Friday, Mr. and Mrs. L. H. Howard of Atlanta, Ga., arrived to spend a week.

**Wayne State U. Open House Set Oct. 17-24**

Wayne State University will be a showcase for the State of Michigan during MSU Week, which opens Saturday, Oct. 17, and continues through the following Saturday.  
Theme for the week is "Wayne State University Serves the State."  
Heading the "WSU or Bust" caravan to the campus will be alumni from 83 counties and residents from the entire thumb area community of Marquette, which received a special "get acquainted" invitation from Wayne State.  
VISITORS WILL have the opportunity to not only tour WSU's modern, fast-growing campus, but to join the life-stream of a great University—watching classrooms and laboratories in action and meeting professors and students.  
Marquette Day opens the week on Oct. 17, and a week-long Open House, beginning Oct. 18, will feature daily conferences in commerce, health, culture and education to give the public a better understanding of the University's role in meeting the needs of the community and state.  
The Open House will also include concerts, clinics, lectures, plays and other events.  
A Family Day will close the week on Saturday, Oct. 24, with special entertainment for children, a homecoming football game (WSU vs. Eastern Michigan), an Alumni Open House, and the Mackenzie Union's "Governors' Ball" at Cobo Hall.

Elise Ambony's young son o' Dick, cut his finger on a toy at the nursery while mom was bowling in the Thursday afternoon Junior House League at Farmington Lanes.  
Rick Bradbury, 18, son of Dick and Jean Bradbury of Inkster Rd., on September 3 joined the Coast Guard. He was graduated from Farmington High in June and had been accepted at Michigan State but then changed his mind and decided to enter the service. He will remain in the Coast Guard for nine months and will then be in the reserves for six years. Rick is expected home December 15 for a two-week vacation.  
On Wednesday, October 21, a neighbor will be calling on you requesting a "sugar bowl" donation for the United Foundation. Most husbands do give at work but thousands of extra pillows are raised each year through the dimes, quarters and half dollars contributed by the women at home, from their "sugar bowls." So, please, give that little bit extra to a most worthy cause. Our list of volunteers is not complete, and rather than omit even one name, we shall list, and thank, them publicly next week.

**What does "80-30-5½" mean to home buyers?**  
It's the short form for a meaningful offer by First Federal to home buyers, and to refinance an old mortgage, and you don't have to be a First Federal customer. The 80 means you may borrow up to 80% of the appraised value of a well-located modern home. 30 means you may take up to 30 years to repay (payments including principal and interest as little as \$5.68 per thousand monthly). 5½ means 5½% interest. These figures are from First Federal's own conventional loan plan. We also make FHA and VA mortgages. As Michigan's largest home mortgage lender, we offer (1) the experience to advise you, (2) facilities for fast service and (3) applications and closings quickly arranged at any First Federal office near you.

**In Michigan... beer is a natural**  
When you're relaxing at your favorite outdoor beauty spot with friends or family, and your thirst's whetted by fresh air and exercise—that's the ideal time for a cool, refreshing glass of beer. In fact, you can name your recreation—swimming, hiking, or just watching TV—and chances are nothing in the world fits it quite as well as beer.  
Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.
