**Girl Scout Activities**  
BY AMY CHARRON  
We extend our sincere sympathy to leader of Brownie Troop 521, Mrs. Ann Leach. We are glad that your husband, Fred, is now home. Our "Surprise Trip" was a complete success. The girls didn't find out till we turned into the driveway of Mr. and Mrs. Louis Waack. There the girls were thrilled by the animals. We first saw the "White Deer," owned by the Waacks and the girls feed them. The deer are imported from Africa. Then the girls walked around to see the other animals. Mrs. Waack showed us the white turkeys, and white female peacocks, the black, blue, green and yellow feathered male peacocks. There were many hens, rabbits, dogs, cats, ducks and geese. The girls saw their first guinea fow, and were told about the fine jelly it makes. Mrs. Alice Waack Burns with Mrs. Waack served apple cider and donuts.  
A "Mothers Meeting" was held at the home of Mrs. Robert Auman, 30005 Briarton. Mrs. Auman is a co-leader with Leader Mrs. Ted Kleinhaus, 30041 Briarton, for Junior Troop 1019 that had its first meeting at Alameda School on October 6. Committee Mothers are Mrs. Don Bramlage, Mrs. Harry Ramsey, and Mrs. George Nauman. Mrs. Kleinhaus is taking a training and refresher course and Mrs. Auman is also in a training class. Plans are to go to Greenfield Village on October 16 and 17.  
Mrs. Russell Cleveland and Mrs. Richard Andridge will start training on October 21. They will have a New Junior Troop and also meet at Alameda School.  
Our "Mothers Meeting" was a great success with all but one mother present. We had our Coffee Brunch Monday morning, Sept. 22, at the home of my Co-Leader, Mrs. Shirley Sloan, 30015 Ravenscroft. Our Committee Mothers are Mrs. George Patterson, Driver; and Mrs. Robert Roe, Mrs. Wilbur Steinke and Mrs. Robert Scott; Christmas, Mrs. John Lewis; and Valentine's Day, Mrs. James Moreen. Mrs. W. Steinke offered her home for a cook-out and her daughter will come and teach the girls some dances.

**If you're over 40, Kidney and Bladder ailments strike far more often**  
Now is the time to do something about it!  
After 40, you're reaching the age when you're more susceptible to illnesses which are common to middle age. Among the most distressing are kidney-bladder disorders. If you've ever suffered them, you well know the pain and embarrassment involved. To help relieve kidney-bladder conditions, many doctors suggest drinking 6-8 glasses daily of spring-pure Mountain Valley Water. That's because its diuretic (kidney-flushing) effect steps up kidney action, helps you eliminate body wastes faster; Mildly alkaline, it gently soothes bladder irritation, at the same time helps neutralize excess uric acids (which reduces that "burning" sensation). What's more, Mountain Valley Water is "light," non-filling, non-laxative . . . and tastes wonderful! Regular daily use can make a positive contribution to continued good health. Costs only pennies a glass . . . less than a soft drink.
