**Asks Suggestions on New Sub. in Township**  
Sheldon Rose, representing the Edward Rose Company, appeared before the Township Zoning Board at their October meeting to ask for any suggestions board members might have on the development of property on the East side of Middlebelt Road between Zen Mile and Eleven Mile roads. Rose stated that his company is considering purchasing the 50 acre site for a development of 50 or 60 small, single residential homes. He said that the site, between Middlebelt and East Junior High schools, has a deep ravine running through it which will make it necessary to develop it under the planned unit development category. A board of members indicated tentative approval of the plan and reminded Rose of such requirements as a walkway on Middlebelt Road and public walking easements for school children. Candidates For State Board Of Education

**ROBERT P. BRIGGS**  
Candidate for Six-Year Term on State Board of Education. Robert P. Briggs was born in Monroe, Michigan. He attended the Lansing, Michigan public schools and The University of Michigan where he received an A.B. degree as well as an M.B.A. degree. He also took graduate work at the University of Chicago.

He was a professor at Kansas Wesleyan University for two years, 1925-1927. He then joined the faculty of The University of Michigan where he successfully held all of the academic ranks including full professorship during the period 1927 to 1951. In addition, he was Vice President of The University of Michigan from 1945 to 1951.

**MR. BRIGGS** presently is Executive Vice President of Consumers Power Company and has been an officer and director of the Company since 1951. He has charge of corporate and financial affairs of the Company. He also is Vice President and a director of the Michigan Gas Storage Company.

He has been a certified public accountant in Michigan since 1933 and was a member of the Michigan State Board of Accountancy from 1938 through 1944. Mr. Briggs was engaged in the practice of public accounting from 1927 to 1945 when he withdrew from the firm of Briggs and Iceborn of Ann Arbor.

In 1956 he was named a member of the Board of Directors of the Federal Reserve Bank of Chicago and was Chairman of that Board from 1954 to 1956.

**DURING** World War II Mr. Briggs was on leave from The University of Michigan and with the Detroit Ordnance as Chief of the General Office of Inspection until 1944 when he became Assistant to the President of the Standard Steel Spring Company which was engaged in the production of essential war material.

**MR. BRIGGS** was active in the organization of the Michigan State Chamber of Commerce and was its first President, serving two terms, from 1959 to 1961.

In 1951, Mr. Briggs received the "Business Leadership Award for Distinguished Service in Business" from the School of Business Administration of The University of Michigan. In 1952 he was selected as one of six Michigan citizens to be cited as a "Wolverine Trailblazer" in recognition of his contributions to the advancement of Michigan.

Governor Romney in 1961 named Mr. Briggs as chairman of the Michigan State Board of Education, seeing keeping the quality of education for students of the future to equal the past as the greatest problem facing the educators and State Legislature in Michigan today.

In many talks given around the State in the past weeks, Dr. Oppewall has tried to alert the public to the shortage of facilities, teachers and money on the one hand and to the rapidly expanding enrollment on the other.

The main reason Dr. Oppewall states is that the Board of Education is that

graduate of Smith College and also attended the University of Michigan and Hope College. Mrs. Hutton is married and has six children. She is on Governor Romney's Blue Ribbon Committee on higher education (1954 to date).

Mrs. Hutton has organized and operated Community Nursery School (1957 to date). She is a member of the Parents-Teachers Association. She is also a member of the League of Women Voters (1953 to date) and served on its Board from 1954 to 1959.

Her political background includes: Member of the Republican State Central Committee (1958 to date); Chairman, Research and Education Committee (1959 to date); Ottawa County Executive Committee (1955 to date); Area Chairman (1950-62) and Precinct Chairman (1955-60).

**PETER OPPEWALL**, professor of English at Calvin College, a private coeducational college in Grand Rapids, since 1954. He is also a lecturer for the Michigan State University extension in Grand Rapids.

Dr. Oppewall has been a pre-scient delegate and has won two State Citations for his work on Dollars for Democrats. He is also a member of the Kent County Board of Education and was a candidate for delegate to the Constitutional Convention in 1961.

A veteran of World War II, Dr. Oppewall served in New Guinea, Okinawa, The Philippines and Japan. He is married and has four children.
