

Don't make your winter wonderland a "blunderland," pleads the National Safety Council which prescribes the following equipment for "blunder busters": good brakes, tight muffler and tailpipe, windshield wiper blades in good condition, a defroster that really works, all lights clean and ready to shine for you, tires with good tread — snow tires preferred, reinforced tire chains for emergency use, seat belts for everyone in the car.

Mrs. Adolph Konopka, Mayfield Ave., who has been on the sick list, is now somewhat improved.

LADY BETTY FLUFF PRUNE JUICE DELIGHT

Habits seem to fall into just two categories — good and bad. And it's the good ones we all try for. A habit starts out like a cobweb, tenuous and easily broken, but eventually it's a strong steel cable. So it's natural to start your children and families out with only good habits, especially where their health is concerned.

Breakfast is one of our family's good habits and by that, I mean that although we vary the style of eggs and the kind of cereal, we always have Lady Betty Prune Juice to start the meal. In fact, Lady Betty Prune Juice is one habit we have never broken to start because the flavor is so rich and delicious that we all love it. Of course, keeping a supply of Lady Betty Prune Juice in the refrigerator to drink for breakfast (and sometimes one of us likes another glass before bedtime) inspired me to try a new recipe using it. Considering how much we like the flavor, it seemed logical to use it in cooking, too. We call this one Lady Betty Pruff.

AN AMAZING 250-mile trip by a 15-month-old cat climaxed happily this month as Squeaky, the Goltra family pet, was reunited with the family. Pictured above (L to R) are Kitty Lou Goltra, 14, Cindy Goltra, 10 (holding Squeaky's brother), and Karen Simpkins, 13, aged. In the front is Beth Goltra, 6, with Squeaky. That's Missy the Goltras' dog, next to Beth. Squeaky covered 250 miles from a summer home near Grayling back to Farmington after wandering off while the Goltras were at their cottage over Labor Day.

"Squeaky" the Cat Comes Home After Nine-Week, 250-Mile Trip

A happy reunion was affected last week at the home of Mr. and Mrs. Judson Goltra, 2381 Beacon Drive in Bel-Air Subdivision.

"Squeaky," the Goltra's family pet, returned home after an absence of more than two months. Squeaky disappeared while the Goltras were packing to return from a Labor Day weekend at their summer cottage near Grayling, 250 miles from their Farmington residence.

Squeaky found his way home over the 250 miles in what must be an amazing accomplishment for a house cat. The pet was spotted first by a neighbor of the Goltra's, 13-year-old Karen Simpkins.

Dick and Maxine Carlson flew to New York City last week Monday to attend the four-day Hotel Show, at which new rooms and equipment for hotels is displayed. They stayed at the Piere overlooking Central Park. They went to shows and enjoyed interesting eating while in New York City. They stayed here with the children so the parents had a completely care-free few days.

Mrs. AND ETHEL Nelson drove down to Tryon, N.C. to spend a week in that spot they love so dearly, and to enjoy its gorgeous autumn coloring. Prior to their trip a niece of Ethel's, Ethel Carlson, came from Los Angeles, Calif. to spend two weeks here. She flew home on her first jet flight.

Many of you remember that the Wheelers had a Mexican boy staying with them last winter, George. He now has an apartment in Farmington and works and goes to night school. His mother, Mrs. Carmela Lopez Velarde Vega, came up to visit him. Of course Dorothy Wheeler kept her days full. Dorothy wants to express her appreciation to her neighbors and friends who drove them about and helped to entertain Carmen. She flew back to her home in Agua Caliente, Mexico, last Saturday.

WILLIAM AND EFFIE Dorwich had an Open House a week ago Sunday for friends and relatives of the bride and groom-to-be. Ethel's sister-in-law is very artistic and "look charge" of decorations. There were bells and streamers in the side. Wedding cakes — two heart shaped cakes — were made by her and were the table centerpiece. A lovely piece, sprayed in silver, was on the wall supporting Bill and Effie, November 14, 1964. Some 115 attended this Open House which began at 2 p.m. lasted through a delicious buffet dinner, and so the last guest left at 11 p.m. They came from Grand Rapids, San-Jusky, Akron, Ubley, home of the bride, plus many local Detroiters.

The couple were married Saturday morning at Our Lady Queen of Heaven Church at Outer Drive and 7 Mile Road. After a wedding breakfast at the Golden Lion for the immediate families the couple left for their honeymoon. They will drive to the Smokies and then to Alabama and Georgia so Bill can introduce his bride to her many new relatives in those states. On their return they will live in an apartment on Greenfield at Grand River.

IT IS WITH GREAT regret that I have to report that Alice Clark is again in the hospital.
