Lin and Josie Courtois have moved into their new home on Birchwood; they formerly resided in Woodbine Subdivision. Lin works for the SoCo Company and Josie works for the Burroughs Company. Over on Chestnut Lane, the Biggers family, formerly of Mt. Clemens, is now living in their recently completed Colonial. NORTH SKEIRIK reports that he has been in contact with that old man, Santa Claus, again this year; and Santa wants to pay a personal visit to the home of anyone in the subdivision who would like to see him. So call North at 474-9172 to make arrangements and he will see that Santa gets the list.

These bleak and snowy days will be joyous days for those students in the Ski Club. The club which is quite big, plans to go skiing at Alpine Ski Resort on Wednesday nights. The membership fee is only \$1.00 and all club members are entitled to reduced rates on rentals and discounts when skiing.

Mr. Taylor, their advisor, is also a biology teacher at F.H.S. He sure is kept busy with his teaching and his weekly trips to the ski resort with his "little gang."

ANOTHER CLUB THAT is keeping their advisor, Mr. Glenn, hopping is the Art Club. They are in the process of making and printing cards and note-paper, to sell at Christmas time. Last year at an "open house," the cards that were made by some of the Art Club members were on display and were sold for \$1.50 a box. This year not only Christmas cards, but note-paper as well, will be sold. The students put forth a lot of effort into making these cards and the finished products are really exceptional. The process is quite difficult and time consuming. I know—because I'm one of the students. The first debate was held at Southfield, on December 7. Last year's team placed second next to Southfield in the Michigan State League Debate Tournament. Following this debate, the team will meet at Farmington Senior High on December 15th, at 2 p.m.

Beginning in December, the Debate team will hold its first big meeting of the season, to discuss the coming events and the schedule for the debate tournaments. So far this year, they have only participated in practice debates with the other schools in the league. The first debate was held at Southfield, on December 7. Did you know—that Linda Cox was accepted at Western Michigan University? Her test scores had high ratings and she will start in September of '65. She plans to go to the School of Education and study to become a teacher.

Did you know—that we have a "chocolate eclairs" eaten" champ, at our school? We sure do! He's Pete Sanderson, who is a senior and can eat over eight eclairs at a time!

## BETTER TASTING better for you

Everyone has at some time in life known a really superb cook. If you know more than one, you are indeed fortunate; and it just might be that you are one of these people yourself. Cook with the simple with a minimum of pots and pans; the simplest of ingredients and plenty of imagination. One kitchen magician I know says she starts off with a white sauce and continues from there. A good basic white sauce can go on to be cream soup or a base for the casseroles. It can be gravy or the difference between plain green beans and Green Beans Parisienne. Let's start with the white sauce itself, remembering that the magic is in the choice of ingredients. You use Keyko Margarine as a spread, have Keyko on the table and use it for baking. Make the white sauce with Keyko, too!

Melt 1/4 cup Keyko in saucepan over low heat. Blend in 1/4 cup flour. Gradually add 2 cups milk. Always use low heat or make the sauce in a double boiler to keep the delicate Keyko flavor. Use a large spoon for blending. When thickened, keep the sauce hot over boiling water. Add salt and pepper as needed, of course. 2 cups cooked, diced potatoes, 1 tsp. chopped chives and a little more milk makes potato soup. Slice up some sharp cheese in the sauce and pour over cooked macaroni for a casserole. For gravy, simply add thickener. Add the sauce to the pan drippings after the roast has been removed. Put a little curry powder in the sauce and serve on left-over lamb curry. Those beans? The white sauce, plus 1/4 cup chopped onion and a small can of drained mushrooms with cooked green beans. The white sauce must be smooth which means stirring constantly and you must start with the best ingredients, which simply means using Keyko Margarine. You supply the imagination yourself.

Here's how to get even the fussiest members of your family to eat all those vitamin-packed vegetables. Use Keyko Margarine to add fine flavor, satisfying richness and extra goodness to everything you cook and bake.

## SMORGAS-BORED?

Here's the cure. Take an old-fashioned walk this Friday along 40 feet of lusciously laden table in the Sheraton-Cadillac's Town Room. Here you'll find a colorful, succulent collection of baked ham, assorted broiled fish, a bounty of Chicago rounds of beef, stacks of disjointed chicken and dressing, oceans of seafood Newburg, piles of pink shrimp, loads of Salmon Bellevue, mounds of vegetables, salads, rolls and desserts. The tab for this Swedish delight? One that even Mr. Benny wouldn't mind picking up... just \$2.95 per person. This entitles you to make as many journeys up and down the table as your stomach will allow. The feast takes place between the hours of 5 and 10 p.m., and if you can't get your fill in five hours, we'll give you a rain check for next week. Respectfully, the Town Room in the Sheraton-Cadillac, Detroit's largest, most accommodating hotel.

## Manufacturers Bank is looking for people to open savings accounts

People like Joan Miller. Occupation? Secretary. Hobby? Collecting travel folders and dreaming about vacations that never seem to come true. Because the vacation she wants usually costs more than the cash she has on hand. So... last year, she didn't go to Hawaii. The year before, she didn't go to Europe. And this year, she isn't going to Mexico. Yet, any one—perhaps, all three vacations—could have come true. If she had started a savings account at Manufacturers Bank. Joan Miller is one of the people Manufacturers Bank is looking for. A person who should be saving money, but isn't. The saving habit is a good one. An important one. Particularly, when you really want to go places.
