FOUND: SURE CURE FOR THE HIC-CUPS

Ever try and start your engine on a cold morning and have it start hiccupping and gulping like it's been on a three week binge? Know what I mean?

Well I gotta tell ya! I found the cure P-D-Q right here in Farmington. How about that!

All you gotta do is wheel your old buggy into the Service Department at BILL ROOT'S CHEVROLET and ask for P.D.Q. Service. What could be easier?

Say, they got mechanics there that really know what makes air engine tick or life-cup. Why, in no time at all they had my engine purring like a kitten. That's what they mean by P.B.Q.—(P)rompt (Diegentable) (Quality Service.

How about you? Not goling to let coll weather get your car down, are you? Take the cure. Come to BILL ROOT'S, P.D.Q., of course.
