Arrow Hockey Team Wins Two In Week's Metro League Action

The Arrow Auto Wash skaters in the Metropolitan Detroit Junior Hockey League moved into third place this week in the six-team circuit with two impressive victories.

The Farmington hockey team beat Detroit General Sports, 8-6, on December 29 and swamped the packagers of the St. Clair Shores Juniors, 11-2, on January 2 at Detroit's Olympia Stadium. Arrow is now just three points back of the league-leading Adray Appliance team of Dearborn and one point behind the second place Northend VFW Post 140 team of East Dearborn.

Leading the Arrow team from Farmington are no less than five players among the league's top ten scorers. Tom Petrie continues to lead the MIDJHL scorers with a total of 42 points with his 26 goals and 16 assists. He is followed up by Arrow's Dave Durkin who has tallied 35 points on 21 goals and 14 assists. Other Arrow team members in the league's top ten scorers are Stan Jewell with 28 points, Ger-

with each dual meet on their schedule. The OLS wrestling schedule features competition against some of the most highly touted wrestling teams in the metropolitan area. The next dual meet action for the Lancer wrestlers will take place January 7 at top rated Grosse Ile.

Falcon Cagers to Launch Bid For Conference Championship

The Farmington High School basketball team will launch its Inter-Lakes Conference campaign by playing host to league rival Waterford at 8 p.m., this Friday, January 8. The Falcon Junior Varsity quintet will open the Friday night action with the Skippers at 6:30 p.m.

Coach Jack Quiggle has been pleased with the performance of the Falcon courtmen in the Christmas Tournament. The Falcons defeated a fine Wayne team in their turnney opener and played creditable basketball in losing out to tourney champion Southfield and the always-tough Bentley five.

COACH QUIGGLE used a starting line-up of seniors John Olander, Steve Moore and Roy Leach, along with junior Mike Wilson and sophomore Gregg Dorow in the Southfield encounter.

Olander led the Falcon attack with eight fieldgoals and five free throws for a total of 21 points. Leach scored 17 points in the Falcon cause followed by Wilson who tallied 15. The other scorers for Farmington were Moore with 9 and Dorow with 7 points.

Although the Falcons bowed

was credited with doing a nice job in the Bentley tilt.

COACH QUIGGLE told his team everybody would get a chance to play in the Bentley consolation game no matter how the game went. He was particularly impressed with the playing of sophomores Gregg Dorow and George Grimala, men wrestlers selected to join Other Falcons who saw action in the game for Farmington.

The scoring by quarters: Farmington — 1st qt. 13; 2nd qt. 16; 3rd qt. 15; and 4th qt. 5. Southfield — 1st qt. 18; 2nd qt. 18; 3rd qt. 16; and 4th qt. 18.

Action Resumes For Wrestlers At FHS, NFHS

The wrestling squads at Farmington and North Farmington High Schools take to the road for action this week. The Falcons of Farmington travel to East Detroit Thursday for a dual meet that is scheduled to get under way at 7:30 p.m.

The Raiders of North Farmington will challenge the wrestlers of John Glenn High School in the evening, 8 p.m. Thursday night at 7:30 p.m. Both the Falcon and Raider squad have been idle since competing in the Oakland County Wrestling Tournament held just prior to the break for the Christmas holidays.

NFHS Quintet Set to Resume League Battle

The North Farmington High School basketball team swings back into action this Friday night after a long holiday layoff and will journey to the gym of their North Suburban League rival, Franklin. The junior varsity encounter with the Patriots of Franklin is scheduled to get under way at 6:30 p.m. The Raider Varsity will litake the floor at 8 p.m. looking for their second Conference victory against one loss.

Raider head coach Richard Wilson did not have his boys' basketball tournament over the holidays. The action scheduled Friday night at Franklin will be the first for North Farmington since their victory over league rival Oak Park on December 18.

Farmington City Chief of Police Maurice D. Foltz says there will be no holiday for traffic law enforcement here. Traffic tickets, if deserved, will be handed out by his men throughout the holiday season. This only proves they really mean it when they say "Merry Christmas and a Happy New Year" — because holidays can be happy only where traffic laws are observed and where people can drive and walk in safety.

4th Annual Wrestling Tourney For Grade-Schoolers to Open

The Fourth Annual Grade School Amateur Wrestling Tournament will open in Farmington this Saturday, January 9, at 1 p.m. in the Our Lady of Sorrows High School Gymnasium. All boys either enrolled at Our Lady of Sorrows or members of the OLS Parish in grades one through eight are eligible to enter.

Dan W. Potter, OLS wrestling coach, and former OLS wrestler star Rick Reda, now attending the University of Detroit, will direct the tournament.

POTTER EXPLAINED the purpose of the grade school wrestling tournament is to give youngsters the opportunity to take part in a vigorous athletic program and become acquainted with one of the world's oldest and most interesting athletic events.

The tournament's clinic portion will be conducted this Saturday with the first actual wrestling session to learn fundamentals of the sport scheduled to open Sunday, January 10.

Actual wrestling competition will not open until Sunday, February 14, and all participants must have attended at least four of the scheduled instruction sessions which run from Jan. 10 through Saturday, February 13.

THE WEEKEND instruction sessions to be conducted by coach Potter and his assistant Rick Reda will be of one hour duration. Boys attending the opening clinic this Saturday will be assigned to groups and scheduled between the hours of 2 p.m. and 5 p.m. for the weekend sessions.

OK Special Funds For Municipal League

The Michigan Municipal League will be hosting the 41st American Municipal Congress gathering in Detroit from July 11-28 this year and each member city is being asked to make a voluntary contribution to underwrite the expense of the program's sponsorship.

Official action was taken by the City Council at its regular meeting Monday night approving a suggested minimum contribution of \$20.00.

to Southfield coach Bob Neff's Bluejay quintet, each Quiggle can take some solace in the 33-49 decision. The Falcons took 38 shots at the Bentley bucket, just two less than the victors enjoyed at the Farmington hoop.

Southfield tallied an 48 per cent of the fieldgoal attempts while Farmington settled for 38 per cent accuracy. It was the same story at the free throw line as the Bluejays scored on 71 per cent of their 21 chances (15 points) while the Falcons could capitalize on just 65 per cent of their 26 foul shots (17 points).

AT ONE POINT in the contest, Farmington pulled up even with the Bluejays, 42-42. The scoring by quarters for Farmington was 15 in the opening period to Southfield's 22; 21 to 19 in the second quarter; 13 to 23 (SHS); and 20 to 20 in the final stanza. With the expiration of the first and third quarter action, Farmington played in even terms with the journey champions.

Farmington emptied the bench in the consolation game with the Bentley Bulldogs in the same game last Wednesday, December 30. Bentley won a 64-53 decision in the second meeting between the two schools this season. The Bulldogs also won the first encounter.

SCORES FOR Farmington in the Bentley game were: John Olander 7; Neil Stark 2; Gregg Dorow 7; George Grimala 4; George Habicht 2; Steve Moore 5; Dan Miracle 4; Ron Cleveland 2; Mike Wilson (high point man) 18; and Roy Leach 4.

Coach Quiggle lamented the fact his team was able to pull away only 22 rebounds in the Bentley game and had only 50 shots at the Bulldog basket. The Falcons hit on just 42 per cent of their fieldgoal attempts and 56 per cent of their 25 free throw opportunities.
