ANNE M. PHILLIPS

MA. 6-6335

Bud and Mary McDonald, with a close friend of Mary's, Mrs. Betty Lillard, left here Feb. 12 and drove to West Palm Beach. From there they flew over to Nassau where they had three days at the Nassau Harbor Club. They enjoyed every minute of their short stay there but had to fly back to West Palm Beach Wednesday evening.

They picked up their car and drove across the state to Houston where they left Mrs. Lillard, with relatives who they drove on to Melbourne to finish closing up the estate of Mary's parents. They then drove back for Mrs. Lillard and on home.

This Sunday they had a fire in their garage. Gregg emptied the rubbish burner but the residue was so hot that the residue as it was in their rubbish cart, it started the fire. There was very little fire damage but a small smoke hole into the house and they had completely redecorated the house just before Christmas and Mary was scheduled to have the Women's Association meeting on Tuesday. I bet we'll never know there had been smoke—but how she must have worried.

BILL AND LILA Hand, with Lila's son and his wife, the Donalds, left here Jan. 22 and drove to Florida. They went to Fort Pierce where they visited Mrs. Lila's brother-in-law. They then spent some time in Fort Lauderdale before crossing the state to St. Petersburg where they made their headquarters while visiting many friends in

that area. They then returned to Fort Pierce for another week before returning home, which they reached March 24.

Bill and Lila have sold their home here to the Ralph S. Shobergs. The Shobergs have two sons, one 24 years old and the other 4 months. The Shobergs plan to move into an apartment in Birmingham and must be out of their house by the 30th of the month. We look forward to welcoming the Shobergs early in May.

DICK AND ANNE Lave have had their son, Dick, Jr., home on leave. He is a corporal in the Marine Corps stationed at Bridgeport, Calif. The parents of a close friend of Dick's were out there visiting so when leaves came through for both Dick and his friend they offered to drive Dick back east with them. It was the middle of the night of March 10 when they had a phone call from Dick's friend in Livonia asking the way home. He was dropped off here and his transportation continued its way to Indiana. Dick, Jr., was home a week ago and will celebrate his birthday on the 16th and he had almost three weeks here before flying back to California on the 30th.

EMILY DYNDY went to St. Mary Hospital in Livonia March 7. The 11th she had a major operation. She was brought home a week ago and they visited Mrs. Dyndy's brother-in-law. They then spent some time in Fort Lauderdale before crossing the state to St. Petersburg where they made their headquarters while visiting many friends in

Terry Hughes has taken a new job. He was with Wayne State University but March 1 he accepted a position with the Detroit Board of Education. He is working with Mr. Carl Marburger on special projects and finding the work interesting and stimulating.

The Gilbert Schwartzes have moved into their new home at 2770 Wellington. Gilbert and Phyllis have three children—Robert 11, Dina 8, and Beth 5½. We would welcome them to Wood Creek.

## Franklin Knolls Women's Club Stages Fashion Show Luncheon

Mother Nature and the Weatherman certainly played an "April Fool" joke on My Fair Lady. Nevertheless, it did not dampen her spirit. Instead of her spring coat she came securely wrapped in her furs for the Seventh Annual Franklin Knolls Women's Club Fashion Show and Luncheon held last Thursday.

Glen Oaks served an excellent luncheon, the Fashions by Jacqueline were most interesting and varied. The prizes were great. Two of Anne Osgood's guests, Alma (Gloria) of Almamay's Flowers, won a prize given by another florist and Mrs. Jack Pickering "finally won a prize"—I broke it. The decoration, table favors and center pieces were outstanding, following the theme, My Fair Lady.
