aren't the greatest" but said that the department is constantly working to upgrade them and establish better programs.

Denniston's remarks came in response to a report compiled by Citizens for Better Care white claims that the department "has dumped thousands of patients into community warehouses not prepared to handle them."

The Detroit-based confrom institutional life to com-munity living.
Dr. Joseph Denniston dep-uty director of the Dept. of Mental Health, acknowledged that, "some of the facilities

suing the department for the list.

The report severely criticizes Dr. E. Gordon Yudshikin, director of the Department of Mental Health, and asks Gov. Milliken to dismiss him.

Since becoming director hearly two years ago Yudshikin has made an intensive effort to get high functioning mental patients and into the common patients and into the common patients buildn't be kept in the institutions. Be maintains.

Dr. Deuniston said that "Vindashikin has done a better job than all his predecessors combined."

They have encommend a resistance from communities buildn't be kept in the institutions, he maintains.

Dr. Deuniston said that "Currently Northville and come and into the common patients buildn't be kept in the institutions, he maintains.

Dr. Deuniston said that "Currently Northville and coher state agencies are doing the best they can with the funding they have available as most part of the common patients.

They have encommend a resistance from communities of the common patients with the community of the patients of the patients.

They have encommend a resistance from communities of the patients with the common patients of the patients.

They have encommend a resistance from communities of the patients with the common patients and the transport of the common patients.

They have encommend a resistance from communities of the patients with the patients with the patients and the patients and the patients are th

If the CBC had offered to work with him in compiling its report, Dr. Denniston said the group would have found that the department has been investigating programs throughout the country for improving services to former mental patients.

Both Dr. Denniston and Dr. Richard Budd, superintendent of Northville State Hospital, said the report is critical of current facilities but doesn't provide "constructive alternatives" to the present situation.

DONALD P. BYRNE of Livonia has been promoted to treasurer of Alied Supermarkets, Ind. Byrne, 42, was formerly director of corporate accounting and assistant treasurer. He served in a number of corporate accounting halied 10 years ago from Haskins & Sells, certified public accountants. He has a bachelor of science degree from EMU and is a CPA.
