REALTOR WEEK is now being observed in the community of Farmington. Local realtors gathered in the Farmington City Hall to witness Mayor Pro-Tem Howard Thayer's signing of the Realtor Week proclamation. Pictured are (L to R, seated) Jean Morningstar, star, Bertha Deering, Councilman Thayer and Blanche Gringle; and (L to R, standing) Hal Rowe, Russ Ellis, Omar Sanderson, Don Dales, Marvin Moser, (President of UNRA), Dick Elisea and Dan Williamson.

Farmington Realtors Observing Natl. Realtors Week, May 23-29

May 23-29, 1965, is Realtor Week. This year's observance by the Western Wayne Oakland County Board of Realtors will be the most extensive ever, according to Marvin O. Moser, president of the Board of Realtors.

Mayor Pro Tem Howard Thayer of the City of Farmington issued an official proclamation of the week-long observance last week.

Jean Morningstar, chairman for Farmington, announced plans today for a schedule of events through Saturday as area Realtors join with more than 79,000 others in the nation to call public attention to their profession and the services rendered.

"A Realtor is not 'just a real estate man or woman,'" said Mrs. Morningstar. "The term REALTOR is an indicator of particular qualifications because only a member of the National Association of Real Estate Boards and one of its 1,500 local boards can identify himself by that term. To be eligible for membership, a candidate must demonstrate a superior knowledge of the business and subscribe to a strict code of ethics."

"THE CODE OF ETHICS is very important. It was one of the first adopted in the history of American business. Under its 30 articles, covering many aspects of a transaction, the Realtor pledges fair treatment to both contracting parties."

One of the highlights of Realtor Week will take place on Thursday, May 27, when the Western Wayne Oakland County Board of Realtors will announce their 1965 selection for the Annual Community Service Award. Mayor Wilbur V. Brotherton of Farmington is planning to attend the banquet

buyer and seller."

Mrs. Morningstar said "surveys show that some people erroneously believe that the term REALTOR is interchangeable with 'real estate man.' However it is a service-mark (trade-mark) registered in the U. S. Patent Office, and only active members of NAREB and its boards may use it. That is why it is always capitalized."

She praised also Realtors' "leadership over the years in protecting the institution of private property and making home purchase possible for whole new classes of buyers."

THE OFFICIAL SLOGAN for Realtor Week is "Pick the Right Home - Through a Realtor," which Mrs. Morningstar says "underscores our experience in rating the selective factors in buying a home to fit family purse, desires, size and transportation. Only in a free country do you have such a wide range of selection, and where else in the world is private ownership of homes more widespread or easier to accomplish than in America."

Girls Meet Man From Uncle

David McCallum, the blond English actor who portrays the mysterious Ilya Kuryokin in MGM-TV's "The Man From Uncle," was in Detroit Saturday, May 15, the first of a long list of personalities who will be appearing at Edgewater Amusement Park throughout the summer.

Farmington was well represented by seven residents who, through the kindness of Mr. James Matthew, manager of Edgewater, were permitted on the roof of the office building with "Ilya" as he spoke to other fans below.

THE LUCKY seven from Farmington were: Margie Cunningham, Linda Smith, Barb Gagnon, Nancy Gagnon, John Simpson, Suzanne Gregory and Mrs. Mary Gregory who managed to get a couple of pictures of "Ilya." In addition to the special group from Farmington, Sandy Stewart of Birmingham and Debbie Leach of Detroit were also permitted on the roof. These nine people were the only ones allowed up with Ilya other than the police.

After talking to the fans, the actor spoke, shook hands and posed for pictures with the special group.

All members of the group were very impressed with his informal manner.

FLY THIS FLAG SET ON YOUR HOME... OFFERED AT COST, AS A PUBLIC SERVICE

THE FLAG SHOULD FLY ON THESE NATIONAL HOLIDAYS

January 1st — New Year's Day	June 14th — Flag Day
February 22nd — Lincoln's Birthday	July 4th — Independence Day
April 4th — Jefferson Day	August 14th — V-J Day
May 1st — Labor Day USA	September 1st Monday — Labor Day
May 30th — Memorial Day	November 23rd Thurs. — Thanksgiving Day
	December 7th — Veterans Day
	December 25th — Christmas Day

We believe every home in town should fly the flag on national holidays. We also believe more homes would fly the flag if more people knew where to get one. Failure to fly the flag, it has been found, is not due to any lack of patriotism on the part of Americans who love Old Glory as much today as Americans did when the Spirit of '76 was first born. Because of this we make this fine flag set available as a public service at our cost. The set is top quality through and through. It meets every standard the government sets for a flag of this type. In addition, the stripes are double stitched, a hallmark of flag quality usually found only at higher prices. We include with the big 3 x 5-foot flag... all the equipment necessary for rigging according to the rules of flag etiquette. These flags are available to all... with no other requirement than that you pay our basic cost... and fly one on your home on holidays. Fly the flag on important national holidays to come... and especially on the Birthday of American Independence July 4th. The stars and stripes on your home show the world that the Spirit of '76 is as warm in American hearts today as it was at its birth on the first 4th of July... nearly 200 years gone by.

THIS FLAG SET IS OFFERED AT COST AS A NOT-FOR-PROFIT SERVICE OF
