

## Stone Creek Chatter

PAT SZYMANSKI

476-8296

The second meeting of the newly formed Homeowners' Association was held May 20 at the Szymanski home. During the course of the evening Jerry Perry discussed the initial draft of the constitution and the membership voiced its acceptance of the contents with only a few additions. The Constitution and Bylaws Committee will meet before the next meeting and draw up the final draft.

Under new business the

group cited the subdivision's most pressing problems as entrance lights, stop signs and street lights versus gas lights. David Scheerer from the Consumer Power Co. was present to answer questions about installing gas lights. The first step forward to obtaining stop signs was taken when Joe Knapik, treasurer, volunteered to write and ask for a survey of the subdivision for the purpose of putting up the necessary signs.

It was decided that all dues shall be paid before July 1, for this year. Checks are to be made out to the Stone Creek Farms Assn. and should be presented to either the Block Representative or one of the Executive Board members. AN IMPROVEMENT Committee was set up also and volunteers were Bud Bourassa, Jim Leach, Milton George, Bob Wilk, Paul Eisele, Mario Marino and Frank Szymanski. The committee reported for a walk from Brookplace Ct. to the new Larkshire school. The easement lies between lots 12 and 13 and is directly over the creek portion which has been filled in. He plans to look into

the situation further and will have more information at the next meeting. Next month's meeting will be held in Joe Knapik's recreation room. The Marino home was the scene of excitement last weekend when Connie's sister and her family came from Philadelphia for a visit. Also learned from Lillian Jack that two of the brood will be leaving the nest soon. Both Don and Julie are engaged. Get well wishes are in order for 2-year-old Dorian Griffith who was ill with tonsillitis last week. The Bourassa's family had both chicken pox and measles. My daughter Karen was 3

June 3, 1965 years old on Friday, May 28. Here is some information about some of our newest residents. Ray and Janet Sist arrived May 1 with their two children — Brian, 5, and Douglas, 3. Their home is located at 24175 S. Duncan where Ray is currently putting in a ledgerock border. The Sists moved here from Detroit where Ray is owner of the Sist Ceramic Tile and Marble Co. Janet was a beautician but has currently given up her active business to look after her two youngsters. They enjoy bowling and swimming. Down at the corner at 24082 Creekside Drive we find Ce-

clia Rembacki and Helen Wisla who are sisters. Helen works at the Luddington News in the printing department and sister Cecilia is the supervisor there. Helen has no small children but her four grandchildren come to visit from Allen Park and Staman Acres. Also new to the area as of May 1 are Doug and Pat Pagan of 24198 S. Duncan. They have been married two years and as yet have no children. Doug is a baker at Knudsen in Detroit and Pat works at the General Motors Bldg. as a stenographer in the legal department. The Pagens enjoy baseball and also swimming.

**SCHOOL DOORS WILL NOT CLOSE** this summer in the Farmington School District. Summer School Director Richard T. Tyler is pictured above holding open the door of Farmington High School for two students, (L to R) John Bailey and Charles Eirichele. Although summer school won't open until the week of June 21, both high school and elementary school students planning to attend summer school classes this year should check with their counselors and teachers, respectively, concerning credit courses and other information. Registration for summer classes, open to all elementary and high school students with both resident and non-resident course fees the same, begins June 15. Summer school application blanks are available at each of the schools in the Farmington School District.

## Girl Scout News

**BROWNIE POW WOW** was held on May 15 at the "Group Camp" at Kensington Park. In charge of the group was Mrs. Ruth Plew who is District Director and Mrs. Vivian Erickson who is District Chairman.

The troops were greeted by the hostesses for the day, six girls from Cadette Troop 921 (Southern). Their leader is Mrs. Georgia Dennis who is Director of Camp Arapaho. Cadettes taking part were Sue Fiorocchi, Sue Molnar, Jeanne Naquin, Chris Foster, Florence Dennis and Judy Johnston (who did a real nice job with the Brownies).

About 275 girls attended from Troops 681, 276, 614, 1059, 647, 281, 648, 468, 671, 26, 127, 573 and 638.

Our next "Farmington Neighborhood" meeting will be held June 9. We will meet at Camp Chippewa site for a "surprise" fixed for us by Camp Directors of first session. Mrs. Eileen Schafer and Mrs. Leona Stidwill. We are to be there at 10 a.m.

Get your daughters signed up for troops. Don't wait 'til fall, as we would like names earlier. That can only be done if there are enough on the waiting list. We still need leaders and helpers.

## ANNUAL and SPECIAL SCHOOL ELECTION

The following QUESTION will be voted upon:  
NOTICE OF SCHOOL ELECTION, INTERMEDIATE SCHOOL DISTRICT OF OAKLAND COUNTY, MICHIGAN  
To the qualified electors of the School District of Farmington Public School District, Oakland County, Michigan, a constituent school district of the Intermediate School District of Oakland County, Michigan:

Notice is hereby given that a special election will be held in the Farmington Public School District, Oakland County, Michigan, as one of the constituent school districts of the Intermediate School District of Oakland County, Michigan, on the 14th day of June, 1965, from 7 o'clock in the forenoon to 8 o'clock in the afternoon Eastern Standard Time to vote upon the proposition of increasing the millage limit on the Annual property tax levied for special education in the said Intermediate School District by one-half (1/2) mill (1/2 of one (1) percent or 50 cents per \$1,000.00 of the assessed valuation in the district as equalized) over an existing one-half (1/2) mill limit heretofore authorized, pursuant to Resolution adopted March 25, 1965, by the Board of Education of Oakland Schools, and said proposition being set forth in the following question:

"OAKLAND COUNTY INTERMEDIATE SCHOOL DISTRICT SPECIAL EDUCATION MILLAGE INCREASE QUESTION.  
Shall the one-half (1/2) mill limitation on the annual property tax heretofore approved by the school electors of the Intermediate School District of Oakland County, Michigan, successor to the School District of Oakland County, Michigan, for the education of handicapped children be increased by one-half (1/2) mill?"

☐ YES  
☐ NO

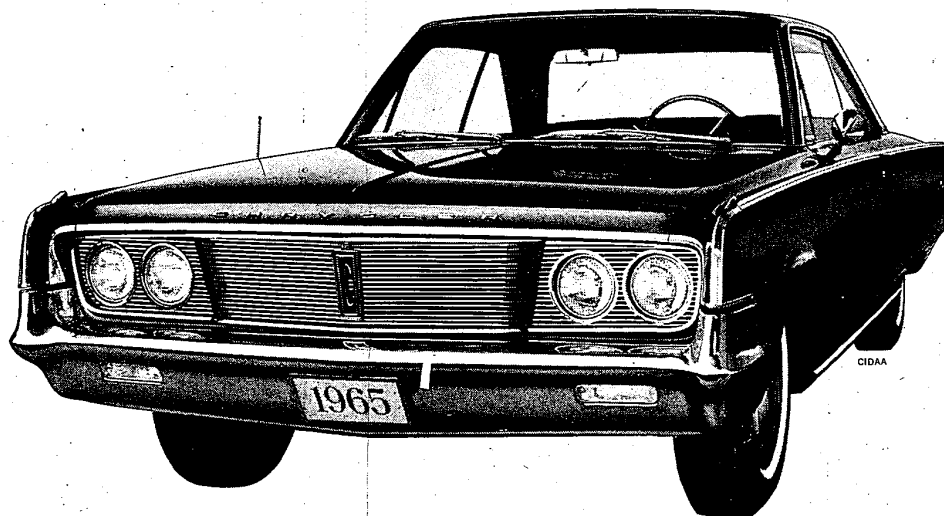

The polls for the said Election will be open from 7 o'clock A.M. and remain open until 8 o'clock P.M., of the same Election day.

BARBARA ANN BROWN  
Secretary, Board of Education  
Farmington Public School District  
Oakland County, Michigan

May 21, 1965

How come Chrysler has almost tripled its sales so far this year?

# DRIVE ONE!

Chrysler sales are up 191%\* around Detroit.

That includes all of Wayne, Oakland and Macomb counties. And it's based on sales from Jan. 1 to March 20, 1965, against the same period last year.

How come? When you drive a Chrysler, you've got yourself a really big car. That's the only kind Chrysler builds. There are no jr. editions to compromise your investment.

But that's just part of the answer. Now consider price. This year there are seven Chrysler models (out of a total 17) priced just a few dollars a month more than the most popular smaller cars,

\*Based on sales for 1965 through March 20, compared to the same period last year.

comparably equipped.

That small difference in price includes power steering, power brakes, a 383 cubic inch V-8 engine, radio, heater, automatic transmission and front seat belts.

And get this. With the hottest selling Chrysler in history on our hands, we're in a great spot to give you a great deal.

Right now!

This is your year to move up to Chrysler. Isn't it?
