THE CREDIT goes to the line, Dave Catherman (42) commented after romping over Farmington's third touchdown in their 27-0 rout of Waterford last Friday afternoon. With the line opening up 7 hole big enough for the whole backfield to go through side-by-side, Catherman needed to exert little effort to score from one

yard out. Behind some brilliant blocking similar to that shown in the photo above, Catherman made his last touchdown's four touchdowns and picked up a total of 124 yards rushing. Ross Byron carried over from the one yard marker for the Falcons' fourth tally.

Farmington Scores Decisive Win Over Waterford, 27-0, Friday

Before a homecoming crowd, Farmington captured a spectacular 27-0 victory over Waterford in its first conference game of the season, Friday afternoon, October 10.

Dave Catherman, halfback, led the scoring and rushing yardage for Farmington by completing three touchdowns and gaining a total of 124 yards.

Mike Ever, Waterford's leading ground gainer with only 21 rushing yards to his credit.

In the first quarter, Catherman ran 12 yards for the first touchdown of the game. His conversion was good, and the score stood at 7-0.

After George Fawcett, a Farmington tackle, recovered a Waterford fumble, Catherman ran the

ball to the three yard line. Stevenson drove for two more yards and then the additional yard to paydirt. The conversion try was made by Stevenson.

No score was made during the second quarter.

During the third quarter, Farmington earned a first down on their own 15 yard line. With two yards to go on the second carry, Catherman made his last touchdown of the game. Grimshaw made the conversion which set the score at 21-0.

Waterford lost a first down and thus the chance of their only touchdown by a close measurement on their own five yard line in the final minutes of the third quarter.

Hunting Law Changes Made

Two major changes in Michigan hunting laws deserve special attention by sportsmen this fall, conservation officials state.

One regulation changes the opening date of small game seasons in the southern lower peninsula and the other provides new rules for transporting weapons in motor vehicles.

All regular small game hunting seasons in Zone 3 — the lower peninsula south of highway M-20 — will open October 21 this year, instead of the normal October 20 opening.

This applies to all hunting seasons in the southern lower peninsula of pheasants, rabbits, snow shoe hares, muffed grouse, squirrels, woodchucks and raccoons.

The law, passed by the 1957 legislature, provides for an October 21 opening, whenever October 20 falls on Sunday. In all other years, the October 20 opening will be in effect.

This change was made because several southern Michigan counties do not allow Sunday hunting and seasons opening on Sunday would concentrate hunters in the remaining counties. Farmers were especially concerned about the possible effects of such concentrations.

The weapons transport law stipulates that a gun-fire or shotgun must be enclosed in a fastened case or disassembled or stored in the closed trunk of a car whenever transported in a motor vehicle. The new regulation also applies to bows and arrows, specifying that a bow must be transported in a closed trunk or enclosed — not merely unstrung.

Trojan JVs Play To Scoreless Tie

Clarenceville's Junior Varsity football squad played host to the Brighton Bulldogs Tuesday, October 8, under the lights and battled to a 0-0 tie.

Time and time again the Trojans found themselves in a position to tally. On occasions, they were inches from the goal.

Star quarterback for the Clarenceville Junior Varsity was Ron Warren. Warren displayed tremendous passing ability as he took the air for the needed yardage gains. Despite the numerous first downs, however, the Trojans were unable to crash the Brighton defensive line.

Coaching the J.V. squad this year is Lee Kempf.

Public Hunting Acreage Added

Another 845 acres of land will be available for public hunting in Michigan, following action by the state Conservation Commission at its recent meeting at Higgins Lake.

The Commission authorized purchase of the acreage for addition to state game areas in the lower peninsula.

The latest acquisitions include 755 acres for addition to Shawassee River state game area, Saginaw county; 50 acres at Murphy Lake state game area, Tuscola county; 35 acres at Deford state game area, Tuscola county; and five acres at Manistee River state game area, Manistee county.

The Commission also approved acquisition of a one-quarter acre tract for state game area at Ludington state park and 10 acres for addition to Port Wilkins state park, Keweenaw county.

In addition, the Conservation Commission approved acquisition of fishing sites on Lake Bellaire, Antrim county, and on the Ausable River, near McAllister bridge in Crawford county, but deferred action on a proposed site on Torch Lake, Antrim county.

State Police Win Pistol Team Match

The highest score ever fired by a Michigan State Police pistol team, 1138 out of a possible 1200, won first place and the Pennine radio railroad trophy in the center fire National match course event at the eleventh annual Indiana State Police invitational tournament at Putnamville.

Second place in the 38 caliber match went to the Detroit police with 1131.

The State Police team was edged out of first place in .45 caliber competition by Detroit, which scored 1113 to win by one point. In .22 caliber, Detroit was first with 2242, the Indiana State Police second with 1151 and the Michigan State Police third with 1141.

Detroit also won the three gun team aggregate, scoring 3409. The Michigan State Police shot 3381 for second place.

Insp. Harry Reeves and Patrolman James Hurt, Detroit, broke 2800 out of a possible 2700 points in the individuals' shoot.

Homecoming Foes To Be Northville

The Trojans of C. H. S. will face the Northville Mustangs Friday at the annual Homecoming game. The event will also be a battle for the traditional trophy of the contest, the vinegar barrel.

The vinegar barrel trophy is a prize awarded to losing team of the game. At the present time it is housed in the C. H. S. trophy case. The Trojans have had possession of the vinegar barrel in 1954 and 56. Northville held the barrel in 1952.

Probable starting line up for the Clarenceville Trojans will be: Jon Nelson, Cliff Wellman, Tom Wilson, Ettore Paolucci, Bill Kelly, Curt George, Dave Findlay, Barry Forsyth, Gene Nogle, Dave Makee, George Roberts.

Seniors playing their last Homecoming game for Clarenceville are: Cliff Wellman, Paul Stevenson, Curt George, Ettore Paolucci, Barry Forsyth, John Hicks, Gordon Witlock, Mike Keller, Fred Campbell, Dave Makee, Dave Findlay, Ron Rapiljo, Tom Wilson, and Bill Kelly.

Michigan Pays Over 3-Million in Bounties

Bounty payments on predatory animals have cost the state of Michigan more than \$3,278,000 since the first state bounty law was passed in 1838.

More than \$2,000,000 of this expenditure has occurred during the last 23 years, according to a recently-completed study of the history and effects of bounties by Raymond D. Schofield.

Trojans Edged By Clarkston 12-7

Clarenceville's football team dropped its third contest of the season to Clarkston last Friday evening at Clarkston, 12-7.

Jim Jensen sparked the Clarkston offense scoring both of the tallies. The extra point attempts fell short.

Clarenceville's lone score was made on a pass from quarterback Larry Andrews to Wilson. Wilson moved around to receive and galloped over for the counter.

YMCA Family Swims

YWCA family swims will open the fall season October 11 in the Redford High School with two periods, 7:30 and 9:30 p.m. Such great interest has developed in this family program officials said that 'Y' members from 'A to M' are asked to come at 7:30 and the balance at 9:30.

Trojan Thincleads Lose First Meet

Clarenceville's cross country team lost its first W. O. C. L. meet of the year, October 2 at West Bloomfield. The top men on the Clarenceville teams came in second, third, fifth, eighth, and twelfth.

Don Mitchell took second place with a time of 11:32 and Merton Roberts third coming in only three seconds after Mitchell. Barnum Leeds and Bill Kelly placed fifth, eighth, and twelfth respectively.

The final score was West Bloomfield 27, Clarenceville 30.

This was the first loss of the year for the Trojans. They tied Milford September 20, with a score of 28-28. The powerful Trojan squad trounced Detroit Lutheran September 26, with the overwhelming score of 22-34.

Logart-Miceli Bout Set Friday

The ageless drama of the boxer against the slugger will be reenacted at the Olympia Stadium Friday night, October 11 when Isaac Logart puts his well-weathered championship hopes on the line against local-fisted Joe Miceli.

Logart, 22, is one of the finest workmen in the ring today. Before he was in his teens, he began boxing in his native Camaguey, Cuba, for as little as \$1.50 for an eight-round main event. His record today shows 50 victories and five draws in 62 bouts. In all that span, he has never been knocked off his feet.

But he is taking his chances against Miceli. He knows what he is in for. He beat Miceli in a 10-rounder in April of last year. Logart recalls Miceli as an unusually tough and troublesome foe.

It's hard to figure out the conceder Logart. "He's always doing the unexpected. What's more, he is tough and has a terrific left hook."

Miceli, a converted southpaw, has been up and down more than once in his career. At the moment, he is definitely up. In recent weeks, he's been smashing upset knock-out win over former welterweight champion Johnny Saxton. He followed that with a splitfight effort against Ralph Dupas, dropping a close decision in Dupas' home town of New Orleans where Dupas almost never loses.

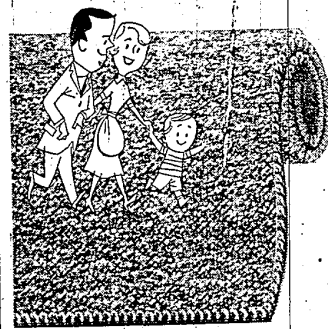

To remove chewing gum, rub the gum with ice. This hardens it so you can pick it off. Sprinkle the spot with carbon tetrachloride.
