

Westbrooke Manor

Anita Cook, GR. 4-8632 - Beverly Williams, GR. 4-6066

Mrs. H. O. Brown has been visiting at the home of Mr. and Mrs. James R. Brown on Bella Vista for the past week and will spend another week with them.

Eight women from Westbrooke Manor attended the Newcomers Club Card Party at the Northland Community House last Thursday afternoon. They were: Mrs. James R. Brown, Mrs. John Minch, Mrs. Donald Davidson, Mrs. Al Wolff, Mrs. Joseph Pietro, Mrs. Robert Whitford, Mrs. Lee Vorce, and Mrs. James Steidman.

Last Tuesday night Frank Schuster held a committee meeting at his home on Arzel. The reason for the meeting was to collect donations for Westbrooke Manor's halloween party. The results were reported very good.

Mrs. Robert Freeman and her mother, Mrs. Margaret Trarop, visited Port Huron from last Sunday through Thursday. They were guests of Mrs. Pearl McArthur, Mrs. Trarop's sister.

Pat Tenney's father, Charles F. Wickey, passed away last Wednesday morning, following a long illness.

Mr. Wickey, who lived with the Tenneys, was 78 years old. He was a native of Stryker, Ohio, and a retired tool and die salesman.

Funeral services were held Friday afternoon at 3 o'clock from the Bell Chapel of the William R. Hamilton Co., Birmingham, with burial in Woodlawn Cemetery. Another daughter, Mrs. J. W. Register, came up from Jasper, Florida, for the funeral.

Den 10 Cub Scouts, under the leadership of Bobbette Davenport, had charge of the opening ceremonies of the Pack meeting last Thursday night at Franklin School. The boys made up a poem to welcome the new year of cub scouting, then all joined in repeating the Cub Scout Promise. Barbara Reader's Den 9 conducted the closing ceremony.

Wendy Davenport has an interesting and passionately pursued hobby which has grown beyond the scope of most 13 year olds' interests. Queen Elizabeth has been her idol ever since she ascended the throne. Wendy has sent to the British Information Service in New York City for books and information, and has received publications from firms in England in her quest for literature concerning this subject so dear to her heart.

Wendy persuaded her dad to fly her to Washington to see the Queen, and sure enough, they stood only 15 feet away when Queen Elizabeth and Prince Philip passed along Constitution Avenue. Before returning home they took in all the major points of interest in Washington and journeyed to Monticello to see Jefferson's home.

Jack and Ellen Ambrose had heard about the very beautiful scenery around Nashville, Indiana, so they took advantage of last week's long weekend to drive down there with their children, Barbara, Christine and Heidi.

Ida Jensen was hostess at the October cancer pad pinning meeting last Tuesday. Pinners were Grace Fisher, Jo Thureson, Helen Weigh, Mary Tyghem, and Eleanor Preuss.

Judy Weightman was home from Albion College for the weekend, with Sherry Smith of Saugatuck as her guest.

William and Lorraine Hooper and son, Darrel, moved into their new home on Brittany Drive, last Thursday.

Reports have it that Don Rogers and Tommy Thomason were very successful on their pheasant hunting trip last week.

Kay Hampton gave a shower for Francine DeGree last Thursday. It was an opportunity for the new bride of Walter, Jr., to become acquainted with friends and neighbors. She received many lovely gifts for her home.

A cocktail party was given by the Walter DeGreens on Saturday to introduce their daughter-in-law to friends and relatives. Wally and Francine were married last month in France while he was stationed there with the Army.

The McCanes drove to Rochester, New York, over the weekend to see Steve play a football game there. Steve is attending the Merchant Marine Academy in New York.

The Forsythes spent the weekend at their cottage on Lake Huron in Canada.

Maureen Cianciolo celebrated her seventh birthday with a family party last Saturday.

Phil and Jack Tucker entertained their parents, Mr. and Mrs. Lavery and her brother-in-law, Mr. E. Harrison, for dinner Sunday.

Parties are being held for the children tonight. The children under 8 years of age are to meet at the Clarks and the children aged 8 to 12 will have a party at the Redwoods. The teenagers will have their party Saturday at the Barkholz's.
