Council Holds Two Meetings

Two meetings of the Clarenceville Student Council were held last week in an attempt to deal with many matters of business on the agenda.

The budget, the magazine drive, and the A.F.S. dance were the main items discussed.

The budget was presented to the council and a motion was carried that the council sponsor a girl as well as a boy to Wolverine State next summer. Tickets were distributed among Student Council members to sell for the dance November 23. This dance is being held to raise money for next year's exchange students.

It was decided that a magazine drive would be held, but many people thought the idea would be unfavorable to the students. The matter was tabled. It was suggested that members obtain the opinions of their respective home-rooms and report back to the council at the next meeting.

A motion was carried that Student Council meetings be changed from Wednesday to Tuesday in the future.

Committees were chosen to sell athletic tickets and bus tickets during the lunch periods. A trial run for a spectator bus will be held on the first away basketball game.

Senior Class Play Set For Nov. 22

The C.H.S. senior class play will be presented on November 22, at 8 p.m. at the high school auditorium.

This year's production, "A Man Called Peter," is directed by Miss Betty Plummer. She is assisted by Amy Gault, student director.

Doug Wilcox will play the leading role of Peter Marshall in the play. His wife will be portrayed by Wendy Spencer. Others in the cast include: Gerald Mills, Allan; Bob Melvin, George; Judy Connell, Susan; Marie Wilson, Nancy; Becky Boatright, Barbara; Russ Lawrence, Joe; Doris Jewett, Helen; Joseph Benstein, Mrs. Grant; Jim Lamb, Senator Polk; Donna Rice, Judith; and Sandy Buckner, Jesse.

"A Man Called Peter" is a three act play concerning the life of Peter Marshall, a Scottish immigrant, who became the shipman of the United States Senate.

The play is adapted from a book by Catherine Marshall.

Benefit Sq. Dance Plans Completed

Plans are now being completed for a benefit square dance to be held at the Clarenceville high gymnasium.

All profits will be used for the benefit of the American Field Service to help finance the foreign exchange student program whereby students are brought here to study and American students have an opportunity to go to other countries for visits.

Clarenceville has had two exchange students: Last year Eida Mossena from Milan, Italy, spent a year here on the student exchange program and this year Wendy Spencer of Liverpool, England, is attending school here.

Last summer Gretchen VanCamp toured Germany on the student exchange program.
