

Large landscaped planters in the center of Newburgh plaza and entrance to the mini-mall make for attractive sights.

"Come on in! Re-fresh with the best!"

We believe fresh is the best! Take, for example, our famous double-deck big boy. Millions have... and keep on coming back for seconds! Why? 'Cause our big boy hamburgers are made with pure lean Western Beef! No fillers, never frozen... just the best in beef, fresh ground daily!

And the same holds true all around the menu! 100% real coffee cream! Real whole fresh strawberries in our pie! Farm-fresh eggs! Dairy fresh butter, naturally!

So for dinners or snacks, come on in! It's the really refreshing thing to do!

a fine clean place to take the whole family.
