

OPEN HOUSE

will be continued—for your convenience—thru Friday, December 20th. This is to celebrate the opening of First Federal's new Branch Building at Plymouth Rd. and Heyden. Come to Open House at any of these offices:

★ **PLYMOUTH at HEYDEN**
across from Plymouth-Evergreen Shopping Center
(Replacing our Plymouth-Rutland Office)

★ **GRAND RIVER
AT McNICHOLS**

★ **SHELDEN
SHOPPING CENTER**

Our thanks to the many thousands who have paid us a visit during Open House!

And to you who still haven't been our guests, this is our cordial invitation to see this new and completely modern First Federal office, where you can carry on your savings business in delightfully pleasant surroundings. The office is air conditioned, with plenty of teller's windows, a nice community room for use of clubs and groups, good parking space at the side and rear, a drive-in window, and safe deposit boxes.

Celebrating opening of this new Branch Building, we're holding Open House at our Grand River-McNichols and Shelden Center Offices, too. There are special gifts for all who open new savings accounts.

If you are already a customer, bring along a friend or neighbor or your own youngsters to open a new account.

This is a good time to join the 110,000 savings customers at Michigan's largest savings association (Assets now over 235 million dollars).
