Boys, Girls State Representatives Selected at CHS

Clarenceville's representatives to Wolverine Boys' and Girls' States were selected during the past week by the Student Council and faculty of Clarenceville High. Three girls and five boys will be sent to the annual Wolverine States. The girls will spend a week on the campus of the University of Michigan at Ann Arbor while the boys will go to the campus of Michigan State University at East Lansing.

Minstrel Show Set Saturday

"There's No Business Like Show Business" is the byword at the Clarenceville Junior High this week as students prepare for the annual Junior High Minstrel Show. The production is under the direction of Matthew Carson, assistant principal. It will be presented Saturday, March 29, in the high school auditorium.

Among the features of the Minstrel Show will be a quartet, duet, Charleston number, variety solos and a Can-Can chorus. There will also be the standard line of funny men in a Minstrel Show.

Tickets for the Minstrel Show will be available at the door on the night of the show. Mark Ruch, vocal music instructor, will accompany the selections on the piano.

Band Concert Given Friday

Under the baton of Al Pihho, the Clarenceville band presented a student assembly Friday, March 21, in the auditorium.

The concert opened with a medley of Gershwin numbers, played by the entire band. Other selections by the band included: "Light Cavalry Overture," "Rhapsody in Blue" and "Pavane Market." Highly favored by the audience was the band's rendition of a jazz session number which featured current jazz.

Soloists for the concert were Cliff Wellman and Beverly Tucker. Miss Tucker was featured in a piano solo, "Etude in B-flat," while Mr. Wellman played a trombone solo.

A German band composed of Mike Keller, Dave Pillar, Doris Jewett, Mike Udman and Beverly Hildebrandt gave their rendition of favorite Deutschland melodies. One other group number was included in the afternoon concert. The trumpet section, represented by Mike Keller, Dave Nester and Donald Caulfield, was featured in the musical interpretation of a marching band.

The assembly was closed with a medley of march favorites including the "Trojan Rouser."

Athletes Bought On Slave Market

The days of the slave market are here again and the Student Council of Clarenceville High was the first to profit. The Council sponsored a slave auction recently as a fund-raising endeavor.

Auctioneer Jim Lamb, Student Council President, brought in the first CHS letterman to the auction block: Fred Campbell, Mike Keller, Gordon Witlock, Dave Makee, Larry Andrews and Cliff Wellman. The lettermen netted twenty-five dollars for the Council.

Fred Campbell was purchased by a group of senior girls while Gordon Witlock went to a group of junior girls. The entire sophomore class purchased Larry Andrews and Cliff Wellman. Dave Makee became the property of both Falter and John Hieks while Hanson Wilson, Mike Keller was sold to Jim Parliament and Arnold Hendin.

The athletes spent Thursday serving as slaves. They were required to obey all wishes of the purchasers. Some of their duties included reciting poetry, dancing, ballet numbers, singing songs and carrying books, trays, purses, coats, etc. Each boy was also required to dress in the manner designated by his owner. Bermuda shorts were one of the requirements.

At a later date, the Council of Clarenceville will sponsor another slave auction.

"NOTHING COSTS SO MUCH AS WHAT IS GIVEN US"

—(Author's Name Below)—

All the world loves a bargain, but everyone knows that one always gets no more than they pay for. Often when we think we are getting something for less than its proper price we usually find out that we have paid more than its real value.

Therefore, we never state that our prescription prices are low priced bargains. We do promise that our charges will always be as low as careful compounding will permit.

Farmington —

LET'S GO

NOW is the time to SHOW YOUR FAITH IN FARMINGTON

- in your country's economy
- and, in your own job

Wise use of your money builds a foundation for personal independence and happiness, and this is to be encouraged. But if you need, and had planned to buy any kind of merchandise this spring, it is possible that failure to do this, by many people, could have a bad and lasting effect on your country, on Farmington, and on the nation's economy. Yes, even on your own job!

BUY DAYS MEAN PAY DAYS

Demonstrate your confidence in the economy of your country by your purchases in the next few weeks. Farmington merchants have full stocks of spring goods, from negligees to appliances, from shoes to automobiles, from tents to new homes.

In the last few days there have been a few welcome signs of a spring upturn. We Farmington business men and women are hoping for YOU to give that little extra push in sales—which right now could make a tremendous difference.

Some economists predict it will be early fall before there's a worthwhile upturn. We in Farmington are saying a good extra push, right NOW will bring it much earlier. We believe you'll like our new merchandise, our prices, and our service.

A dollar spent at home is a dollar kept at home!
