BO WITHOUT KING'S CONSENT

To WITHOUT KING'S CONSENT

The rumor which has recently been going about as to the contemplated second marriage of a widrowed member of the royal family has given rise to some comments which are manifestly abaurd. It has been stated that such an alliance would be impossible without like king's consent, but although this is nominally the case in modern days here has been wide divergence between theory and practice, even, in such countries as Russia and Spain, where the power of the sovereign as head of his family is, to any the least of it, as great as that of a British monarch.
