Woodbine Sub. News

LOIS HOELSCHER
GR. 4-0460

Of prime importance last week was the meeting of the Woodbine Improvement Association. There was a fairly good crowd there to hear the talk on sewers given by Mr. Alexander from the Oakland County Department of Health. He was assisted by Mr. Hunsinger, also from the County. Mr. Alexander explained where the interceptor will be located, and where they will be located, and he then conducted a question and answer period.

J. OMBRES then gave the financial report which indicated the membership, chairman, namely him, had better get busy and collect some 1958 membership dues. This money will be used to see you soon. Gene Miller gave the Water Board report. The last water check indicated that the water was not safe. As you all know, several times in the past year it has been necessary to notify everyone that the water was not safe for drinking, and the water board is very interested in getting up a block calling system, which will be able to notify each family in the subdivision that there will be no water for a short period. Don Tamsen, Dave Wright and Walter Thielmann volunteered to help set this up but they will need a lot of co-operation from all the people in the sub. So please help if you are called. Miller also stated that there will be sub elections on the Board at the March elections and asked for volunteers to run for this office. It is necessary that this office and Dave Wright have these available. Bob Donevan (and Walter Thielmann) both volunteered at the meeting to run for this office and they are looking for more men to make the competition better.

Miller also told the meeting that Mr. Sawyer, who owns the subdivision on Ten Mile Road with quite a few evergreens on it, has offered to donate quite a few trees to the lot. This calls for more volunteers to help plant them this spring.

SPRING ELECTIONS for the subdivision will be on the agenda of the next meeting and Dexter Van Wicklin and Jerry Evans offered to work on the committee. This is a hard job because quite a few people refuse to help out. If you are asked to run for office, please don't say no. Your help is needed.

TWP. SUPERVISOR

Mr. Van Wicklin, who so kind-ly volunteered to collect for the Road Fund twice during his term of office will be around soon. If he receives your cooperation the funds will be collected much sooner this year than in the past, so greet him kindly.

DICK MOORE of Briarhill is in sad shape this week. He fell from the school bus while he was playing basketball and suffered a fracture to his left arm. Mr. and Mrs. Orr are proud new grandparents. The new baby is named Patricia Louise, daughter of Peggy and Warren Smith of Detroit. She weighed 3 lbs. 2 oz.

Mary Chellman is holding the monthly meeting of the Cancer and sewing group. They met at the home of Hillard, and saw Tuesday, February 10, at 12:30 p.m. Her theme was to do their collecting.

We managed to get together quite a long column this week. If you people would cut GR 4-0460 more often and relay any items you have it might be possible to write it every week.

JVs Continue To Record Wins

The Falcon J.V.s continued to play in winning form last Friday night, January 30, trouncing the Walled Lake J.V. 57-43. Both teams played a see-saw battle and ended the first period in a 16-16 deadlock. Farmington began to gain the advantage in the second quarter, outscoring the Vikings 3-1 and coming within a nine point lead at half time 30-21.

The Falcons continued to romp over their opponents, outplaying and outscoring little JV's through the entire second half. Coach Graham substituted Fred during this time, but the Farmington J.V.s continued to score making a 10 point edge at the buzzer.

High point men for the night were Saley and Allen with 17 and 14 points respectively, and Walled Lake's Sale with 12 points. R.G.B.
