# ing all sides of a question—is something people outh to avoid. It would make living trightler a lot easier. On little things loo—like your preference for tea or coffee and mine for beer. Understanding the other fellow's point of view will make traveling a lot smoother in this wiet' age of ours. the same compilaint—the roar of jets was irritating—so a group of them petitioned the Air Force to move the base. Then the Air Forge invited the petitioners to the base to show them how vited it was to their defense. The people soon decided jet noise was rently a weekome sound—and all petitions were dropped. Joe Marsh

Air Force base and the towns-people nearby illustrates a

point I've made for some time.

Most of the local people had
the same complaint—the roar
