Cub Scout Pack 109 extends thanks to everyone who contributed to their paper drive and helped to make it such a big success. The boys collected 18,000 pounds of paper last Saturday and made lots of money for the pack.

Mary and Bob Broach, Jewel Orlowski and Cecil Perkins took the boys in their Cub Den and out to tour the Science Building at Cranbrook last week. Jimmy Perkins, Ron Hendricks, Tom

my Orlowski, Bobby Thiele, Donnan all went. They came home very impressed with all the exhibits.

THE CLUB that Mary Broach has belonged to for the past nine years had its annual Progress Dinner last week. They had dessert at Broach's house after progressing from three other houses. The Broach's served delicious banana splits and afterwards the group played Pinocle and darts.

Mrs. Bolle, who has just re-

cently returned home from the hospital after over a month's stay, is feeling better. These days she waits everyone to know how much she appreciates all the cards she received from her neighbors.

Barbara and Ernie Cole who are quite close friends with the Congregational Church have recently taken over the co-sponsorship of the Junior High Pinocle Fellowship Group. Last week the group had a Valentine's Day party which Barb and Ernie helped organize. The youngsters first put on a devotional program and afterwards they played games and danced to records.

JUNE AND BOB ELY were host and hostess this month for their "Coke" party. They were held at the First Methodist Church in Farmington. Each guest was asked to come dressed in an American tourist "in Mexico." They took the guests to the beach and played Mexican games and had lunch. Ethel and Sam Beagan also helped in the party.

If you have driven around the subdivision at all lately, you no doubt will have noticed the water running across the road in many places. This is all a result of frozen culverts. It seems as if it would be a good idea for everyone to get out and try to get the culverts dug because it is not very long before the road, pretty soon there won't be any road.

BARBARA AND CHUCK Fritz had a Valentine's party at their house last night. They had a buffet dinner. Elva and Harold Blinn, June and Bob Ely, Margot and Walter Thiele, Ethel and Sam Beagan, Eleanor and Ed Miller, Betty King and Gene Miller, all had a swell time playing games and dancing.

The evening meeting of the Ladies in Charge was turned out quite well. We finished one hundred pads in the course of the evening. However, it seems as if out of the hundred pads in the collection more than ten ladies could help in this work. The meeting at Madeleine Ericson's house was attended by Gwen Wiegand, Marilyn Hall, Betty Blom, Jean Kiley, Ethel Patrick, Connie Smith, Doris Jackson, and Wilma Kirby. Cookies and gifts were served by Madeleine later in the evening.

Mr. and Mrs. Edward Semposki on Broadway celebrated their fifth wedding anniversary on February 27. On Saturday afternoon 45 guests in attendance were the main performance of a Cinema, followed by dinner at Mario's Restaurant in Detroit. Then at the evening they visited the Flower Show at the Armory.

Congratulations also, to the awards at the Blue and Gold Young Boy Scouts who received a letter from Our Lady of Sorrows last Thursday evening. Michael and Michael Blinn turned their Assistant Den Leader's badge to Betty King, Betty King, Bill Weller, Silver Arrow, Jimmy Kacia, his Silver Arrow to go with his Bear Badge, Dan Wheeler, his Golden Arrow and Joseph Berger, his One Year pin. Parents present at the Banquet were Mr. and Mrs. Joseph Kacia and Mr. and Mrs. Joseph Gregory. Mrs. A. Welter, den mother, was unable to attend because the Flu Bug had caught up with the whole family.

It takes a real fisherman to enjoy fishing thru ice and that is Bob Tipton of Dohoney. He spent last Saturday with three other fishermen. The catch was not big enough to share with his neighbors, but we're hoping he'll have better luck next time.
